

Taking App-Based Tests on Chromebooks

If the kids have this screen please have them sign out... **Students can't be signed in for testing!**

Once the students are signed out...have them click on the **Apps** button from the login screen.

This box will pop up. Select the appropriate app link, based on the test you are taking. Example: For PARCC, click TestNav.

The test will load in a lockdown browser
Be sure the correct app is launched before entering the login information!
