# **Questions & Comments**

# Enriching and accelerating learning

# Schools & COVID-19 Update

2/22/22

Enriqueciendo y acelerando el aprendizaje

## Pandemic Status Update (as of 2/17/22)

- Case rates (7 day total new cases per 100k population)
  - Richfield: 200
- RPS confirmed cases: 57 in the last 14 days
- Vaccination rates for Richfield (at least one dose)
  - Ages 5-11: 49%
  - Ages 12-15: 87%
  - Ages 16-17: 71%
  - Ages 18-49: 88%

## **Maintaining Current Mitigation Strategies**

Our priority continues to be to keep schools open and students present as much as possible for in-person learning. These strategies are helping us do that:

- Updated quarantine guidance from the CDC
  - Students and staff can return to school after a 5 day quarantine/isolation in most cases
- Continued adherence to Policy 548: COVID-19 Face Covering
  - When all individuals in close contact with another remain masked, they do not need to quarantine in the case of a positive COVID test
  - Without universal masking, we would have to enforce different rules for individuals returning from a COVID quarantine/isolation
- Limiting visitors to school buildings

## **Moving from Pandemic to Endemic**

- Cities beginning to remove vaccination mandates
- COVID cases dropping significantly; hospitalizations beginning to decrease
- Cities/schools beginning to remove mask mandates
  - We will monitor very closely the impact of mask mandate removal on surrounding districts' ability to remain open and staff their programs

## **Coming Up**

- March 3: RHS and RMS combined band concert, 7 p.m.
- March 9: RMS tour for Grade 5 students
- March 10: RHS conferences, 4 8 p.m.
- March 16: Fire & Ice Coronation, 9:30 a.m.
- March 19: Fire & Ice Dance, 8 p.m.
- March 28 April 1: Spring Break

#### Regular Meeting, February 22, 2022

**Subject: Commendation** 

School Board Member Recognition Week is being celebrated February 21-25 throughout Minnesota. RPS commends all our school board members for the important role they play in serving the students of Richfield.

Our board members help make decisions that have a tremendous impact on our children's futures and the quality of life in our community. RPS recognizes the importance of this civic duty. School board membership is one of the most personally demanding forms of public service. The members of the school board spend countless hours preparing for and participating in their monthly meetings. They also devote a great deal of time to studying education issues and laws and listening to the concerns of parents and teachers. In fact, they never are completely "off the job" as board members.

Thank you to all six board members, this week and every week!
