

"A mentor is not someone who walks ahead of you to show you how they did it. A mentor walks alongside you to show you what YOU can do."

WILDCATT EXPERIENCE

WildCATT Experience brings high school students with disabilities to an all-day campus event to find out what it's really like being a Wildcat! You get a behind-the-scenes look at college life at

Weber State University. You'll get connected to campus resources and services, become aware of fun clubs and events, and, hopefully, see yourself as a college student!

You'll also have a chance to meet with current college students with disabilities who are EXCELLING and SUCCEEDING in college.
