A quality individual graduation plan (IGP) is crucial for student success. Per BESE Bulletin 741, students work with their school counselors to complete an IGP by the end of grade 8; school counselors, students and families review, update, and sign the IGP every year until the student graduates.

Louisiana Transfer Degree

The Transfer Degree Guarantee refers to a guaranteed and easy transfer for students from a 2-year community college to a Louisiana 4-year public university. Courses are prescribed in the curricula to earn an Associate of Arts/Louisiana Transfer Degree or an Associate of Science/Louisiana Transfer Degree. If these degrees are earned and a minimum grade of “C” is achieved in each course, then all 60 hours of course work will transfer to a Louisiana public 4-year university. Students must also meet admission standards, especially GPA requirements, for their intended university.
