"The Better Golf Academy is a fantastic program for our school. It allows our students to get personalized golf lessons from top golf instructors without having to leave school. They provide all of the equipment and make it fun, educational, and overall memorable experience for our students. Our families couldn't be happier with the program, and I am looking forward to a long-term relationship with the academy"
...Pegasus School Principal, CA.

Equipment furnished! Learn putting, pitching, chipping, rules, etiquette, and full swing conveniently conducted at your child's school!
