

BD Veritor™ At-Home COVID-19 Test

Quick Start Guide

For *In Vitro* Diagnostic Use. In the USA: For use under an Emergency Use Authorization only.

Read the Product Information Leaflet for more information before starting the test.

This test is intended to be used as an aid in the clinical diagnosis of a COVID-19* infection, but it should not be the only guide to manage your illness. Please consult a healthcare professional if your symptoms persist or become worse.

WARNING: DO NOT OPEN the packaged kit items until instructed to do so by the app.

Getting started

The testing process takes 20 minutes to complete. The app will guide you through every step. You will need to have an active cellular connection or Wi-Fi to progress through the test.

1 Download the Scanwell Health app

Search for "Scanwell Health" in your app store or scan this QR code using your camera app.

2 Sign up or log in to the app

3 Follow the video steps

4 Result provided in 15 minutes
