

Eagle Vision News – February 24th, 2022

Centerville Families,

I hope this edition of the Eagle Vision News finds you and your family safe and warm. We held a scheduled lock-down drill today. Please talk with your child about their experience during the drill. These drills are designed to help us practice what to do in the event of a real emergency, such as a threat inside the school building. While this may seem scary, if this were to happen, we want our students and staff to know what to do. Schools are mandated by the state to conduct these safety drills.

Here are a few items of business that may be of interest:

- The Teaching and Learning Department of Davis School District is seeking applications from parents to serve on Instructional Materials Adoption Committees. Applications close tomorrow, February 25. If you are interested, click in this link: [Parent Application for DSD Instructional Materials Adoption Committees](#)
- Literacy Week is next week, February 28-March 4. See the flier below for details on our fun activities throughout the week!
- Parent Teacher Conferences are also being scheduled the week of February 28-March 4. Most conference times are slated for March 2 and 3. If you have not signed up for a time, a time has been scheduled for you. I encourage you to come in and talk you're your children's teacher(s) during your scheduled conference time. It is a good way to touch base and learn more about their progress.
- Lost and Found items are accumulating. Please, take a few minutes this week while attending conferences and check to see if we have any items your child cannot find.

In thinking about safety and drills, I am taking this opportunity to remind you to drive carefully in school zones. Please watch out for our students who are both looking for their own ride or walking to their after-school location. I have had no reports of any real problems, and along with all other emergencies, I am hoping to keep it that way.

Mr. Holmes
