

Millcreek Middle School Soccer

Spring 2022 Player Information

1. Players must register on Family ID by **February 28th**. All directions and information can be found on mcdowelltrojans.com under the "Sports Registration" tab. **Please be sure to complete all necessary requirements or you will not be able to participate!** The link to Family ID is also below:
 - <https://www.familyid.com/mcdowell-athletics/millcreek-twp-school-district-2022-spring-athletics-mtsd-piaa-sports-grades-7-12>
2. If you haven't done so last year or this year for another sport, all players must go to baseline concussion testing to be eligible for Spring sports. Concussion testing is done through the Athletic Trainer at McDowell High School. The date for middle school boys' soccer is below:
 - Date & Time: March 3rd 4:00PM-5:30PM
 - Location: McDowell HS LGI Room
3. Soccer generally starts later than other outdoor spring sports due to the weather. We will be in contact with any players that sign up with a start date. We will have a general session for all players (which will most likely be indoors). Games generally start in mid-April. We will pass along all of that information as it becomes available to us.
4. If you need additional information, please contact the McDowell Athletics Office

Thank You,
Millcreek Middle School Coaches
