

- Go to www.office.com, click sign in

- Sign in with your VCS credentials

- Click the Gear in Top Right Corner

● Click “Change Your Password”

The image shows a screenshot of the Microsoft Office 365 user interface. The browser address bar shows `office.com/?auth=2`. The top navigation bar includes the Office 365 logo, a search bar, and a user profile icon. The main content area displays a greeting "Good evening" and a message: "No content activity. Share and collaborate with others. Create a new document or upload and open one to get started." Below this message are two buttons: "Upload and open..." and "New". On the right side, there is a settings sidebar with sections for "Other", "Themes", "Language and time zone", and "Dark Mode". The "Password" section is highlighted with a yellow circle and contains the text "Change your password →".

● Change Your Password

The screenshot shows a web browser window with the URL `account.activedirectory.windowsazure.com/ChangePassword.aspx?BrandContextID=O365&ruO365=`. The browser's address bar and tabs are visible at the top. The page content is as follows:

Change password

User ID
AffrontiA@victorschools.org

Old password

Create new password

Confirm new password

The browser's taskbar at the bottom shows the Windows logo, search icon, task view icon, and several application icons (File Explorer, Edge, Word, Chrome). The system tray on the right displays the date and time as 7:03 PM on 1/24/2022, along with weather information (18°F Cloudy) and various system icons.

- *Log off and log back on to your chromebook or your google account with your new password!*
