

Principal's Message-DCMS

My name is Marcie Jones, and I am the Principal at Dodge County Middle School. I have been an educator for 22 years, and an administrator for the last 7 years.

What a whirlwind it has been for the last 2 and a half years, as public education has faced challenges that we could have never imagined. We appreciate, and are excited to continue, a productive partnership with our parents and the community to ensure that our students reach their full potential. We feel that a strong positive relationship between the school, parents, and the community will make a great difference in each child's education and success. We want our parents, students, and community to feel welcomed, connected, and a vital part of Dodge County Middle School.

To help us take DCMS to an even higher level, we ask that you and your child please keep the following items in mind to ensure your child's success throughout the year:

- Be present each day and on time for each class.
- Be prepared for class and have the necessary materials.
- Study each night and complete all homework assignments.
- Be familiar with the student handbook, especially dress code expectations, cell phone policy, and other procedures
- Look for communication through the agenda, notes, texts, and/or emails that will keep you informed regarding upcoming events, activities, or other announcements.

In an effort to increase communication this year, please take time to add us on social media- Facebook and Instagram, visit our website, sign up for Remind (teacher and school), sign up for Power Parent, keep your phone number updated to receive One Call Now messages and be reached by text or call.

We are excited about the new possibilities and the educational successes that await us this year! The staff, administrators Dr. Bellflower and Ms. Williams, and myself feel privileged to be a member of the Dodge County Middle School team! We would like to invite you to be a team member as well, and sincerely thank you for your support! We are looking forward to working with everyone this year!

Go Warriors!
