

## WHO WE ARE?

We are an activity of Westosha Central High School and affiliated with the Scholastic Clay Target Program (SCTP); which means we are a youth development program not just a team that shoots.

## WHY CHOOSE US?

Our team projects a positive attitude in everything we do. We believe that teaching safety, building character, and training fundamental skills is the pathway to success.

## ABOUT US

For the past 6 seasons, Central Falcons have been the State Champions! We encourage your child to maintain high academic and behavioral standards to stay eligible for competition. Our athletes gain a foundation in a life-long activity that is safe, gender neutral, and inclusive of those with challenges. Insurance figures show that your child is safer competing on an organized shooting team (archery, pistol, rifle, or shotgun) than in any ball sport. We can include youth in Grades 4 through 12. Starting at age 9 may seem young, but we have shown for 15 years that we can teach young athletes to be safe and competent with a shotgun under plentiful, careful and highly positive supervision. It is also very likely that participating in this program can boost your child's self-esteem and she or he will have fun!

The Falcons practice Trap once weekly from the beginning of March through the middle of July. We encourage you to seek out parents of Central Falcon athletes and ask about their child's experience. We will be happy to give you references. If interested in a registration packet please contact our Team Administrator.

Registration is January 1 - 31, 2022
