

McGlennen Monitor

Learning for all...Leading for all...Success for all

I trust this newsletter finds everyone healthy and gearing up for a snowy February! As the first semester comes to an end, I would like to update you on some happenings at our school. The district continues to monitor the surge in COVID-19 cases in Michigan. Per the new CDC guidelines, you will be notified if your child has been exposed. Please continue to monitor your child and if they have symptoms, please keep them home and have them tested. This month, our students will participate in a fundraiser for the American Heart Association. The Kids Heart Challenge will be kicked off on Tuesday, February 1, 2022. Information will be sent home. We would love to see everyone participate in making healthy choices this month! Finally, our school kitchen is set to be remodeled and demolition will begin mid-February. At that time, we will not be able to provide hot lunches –students will be provided bagged lunches instead.

NEW WEBSITE

Did you know the CCS has a new website? Please check out www.clintondaleschools.net. A lot of information can be found by simply clicking on the appropriate links. We even have a McGlennen page. Check it out!

VALENTINE'S DAY

On Monday, February 14, 2022, our students will celebrate Valentine's Day. If your child is passing out Valentines, please be sure they have one for everyone in the class. Please watch for more information from your child's teacher!

REPORT CARDS

On Friday, February 4, 2022, students will bring home report cards. Please let your child's teacher know if you have any questions.
