Senior Exit Survey	Bridget provided an update on the Exit survey, it will be administered by the Principal’s committee and Bridget remains closely involved. She provided the committee with an update on the questions as well as the timing of the survey which is scheduled to be released just before April School Vacation. **Topic 2**

District Report Card	The education committee reviewed the report card, outstanding questions have been sent to appropriate AMSA contacts. The results were strong overall especially considering this was during the pandemic period. In the future, it was determined it would be more useful to see the data compared to our core towns instead of overall MA results. The report card looks more for failure in schools as opposed to seeking out how well our students are prepared for College and future success.  <a href="https://profiles.doe.mass.edu/profiles/student.aspx?orgcode=04300000&amp;orgtypecode=5&amp;leftNavId=300&amp;">https://profiles.doe.mass.edu/profiles/student.aspx?orgcode=04300000&amp;orgtypecode=5&amp;leftNavId=300&amp;</a>
