## It's Not Hopeless!

Directions: Lucy wrote a letter to her grandpa about his corner store, but she forgot to add the words with the suffix **less**. Read the definitions for the missing words in parentheses, and write the missing words on the lines provided. The first one is done for you.

Dear Grandpa,

Please do not close your store. It is not hopeless (without hope)! That other new store is \_\_\_\_\_ (without harm). It can't take your customers away. Your customers love your \_\_\_\_\_ (without seeds) watermelon and your \_\_\_\_\_ (without bones) fish.

They will drive for miles for your very tasty \_\_\_\_\_ (without sugar) ice cream! Your customers love your clean counters, your sparkling windows, and your \_\_\_\_\_ (without spots) floors. Don't give up, Grandpa! Your service is excellent and no one has ever called your homemade goods \_\_\_\_\_ (without taste). I think you should try to keep the store that you have worked so hard to have. I will help you!

I think I have a plan.

Love,

Lucy
