

Community Schools

February 27, 2022

Dear Gull Lake Families and Staff,

On Friday, the CDC put out a communication updating their guidance on the wearing of masks on public transportation which reads as follows:

“Effective February 25, 2022, CDC is exercising its enforcement discretion to not require that people wear masks on buses or vans operated by public or private school systems, including early care and education/child care programs.”

In accordance with this new guidance, anyone riding Gull Lake Community Schools bus transportation will no longer be required to mask and the District will follow a *masks optional* protocol for bus riders moving forward.

Enjoy the rest of your weekend!
