Student Services*

Maryanna Stevens, CPA
*Director of Finance, Marketing,
and Growth Management*

February 27, 2022

Dear Parents/Guardians,

Effective this past Friday, February 25, 2022, the CDC no longer requires wearing masks on school buses or vans operated by public or private school systems, including early care and education/childcare programs. Given this new information that was just released, the East Lyme Public Schools will strongly recommend the continued use of masks on school buses and vans but will not require it.

Thank you for your attention to this notification. We appreciate your patience and support in implementing the overall shift to masks being strongly recommended but not required across our school district. As always, if you have any questions, please feel free to contact my office.

Sincerely,

Jeffrey R. Newton
Superintendent of Schools
