## Track Season Starts Monday

Our track and field season begins Monday. Our new head coaches are Leslie Kendall and Jon Lassman expect a great season from our 8th graders this year.

Practice begins every day after school at 3:30 and runs until 5:00, all practices are required.

At this time we have over 100 athletes approved through Privit to start.

## Jr. ROTC @ LSHS

**8th grade parents.** Air Force JROTC at LSHS offers a unique program that helps students develop valuable 21st Century skills such as communication, leadership, personal skills, and global awareness. This program is unique in that it develops character through participative leadership in which students lead and direct group activities. There are many extra-curricular activities in which students can hone leadership skills such as a competitive obstacle course team (think tough muddier courses), a drill team, archery, honor guard, and much more! Students enrolled through four years can earn personal finance credit, one science credit, and 2.5 elective credits. Students can also add Market Value Asset and International Baccalaureate Career-related program (IBCP) credentials as well. There is NO military requirement to participate. The classes below generalize a four year plan of study in JROTC.

1st year - organization, citizenship, and study skills/aviation history

2nd year - communication studies & leadership skills / science of flight (science credit)

3rd year - personal skills (personal finance) / exploration of space

4th year - principles of management/global & cultural awareness
