

Gull Lake Community Education And Gull Lake Athletic Department 2022 Summer Tennis Program

INTER-CITY TENNIS

(Grades 6th -12th)

Tuesdays & Thursdays

12-2pm \$90

Starts June 14th - July 26th

Matches on Fridays

(Rain days will be rescheduled.)

This fun program is designed for the youngsters in the intermediate and above categories who want to try a little match play, both singles and doubles. This is an ideal class for High School Students. This low-pressure tennis adventure is affiliated with the U.S.T.A. and helps young tennis enthusiasts gain some match play experience. If the students are unsure of scoring, or how to play sets, we will teach them. Emphasis is not placed on winning every match but in having fun, meeting other players, and improving in both singles and doubles. This is a great program for those looking to improve or prepare their game for high school tennis. Practices will consist of drills followed by point play games and match play.

Need based scholarships are available for Gull Lake students through the Gull Lake Community Schools Foundation for these classes. For more information contact Whitney Brockway at wbrockway@gulllakecs.org or 269.548.3815.

Gull Lake Community Schools is proud to announce that this year's tennis program will once again be directed by Roger Cornelius, long time Gull Lake Varsity Tennis Coach and teaching pro.
