Principal's Message

As you may have seen from the Superintendent's email earlier this week, the Boulder County Board of Health unanimously voted to rescind both Public Health Orders, 2021-07 and 2021-08, including the indoor mask requirement for public spaces, K-12 schools and childcare settings, effective today, Feb. 18 at 5 p.m. [Click here for their media release.](#)

This means that **beginning today, February 18th at 5 p.m., masks will no longer be required at Centaurus High School both during the school day and during after school athletics and activities.** Please note that federal law continues to require masks on district buses.

Throughout the pandemic, we have worked hard to keep our school open and our community safe by following the recommendations of our partners in public health, and we will continue to do so with these changes. While masks are still recommended by BVSD, they are now a matter of personal choice. My expectation for everyone is that they make the choice that is best for them, and respect the

individual choice of everyone else in our community. Please make sure that you make the choice that is best for you and your family, and allow others the space to do the same for themselves.

I have been proud of how Centaurus has dealt with the pandemic up until this point, and I am confident in our ability to move forward with these changes.

Daniel Ryan

Last Call for AP Exams

Mar 1, 2022 is the final day to order an AP exam for 2022.

First semester and year long classes had an on time deadline to order an exam of November 1, 2021 but you can still order an exam but it does come with a \$40 late fee imposed by College Board, so the cost of the exam is \$136. Payment can be made through RevTrak: [AP Exam Late Fee for First Semester and Year Long Classes](#)

Second Semester only classes also have until March 1, 2022 but there is no late fee for Second semester only courses. Exam fee is \$96 and will also use RevTrak for payment: [AP Exam Second Semester Only Classes](#)

2022 State Testing Information

As you may know, our students will take the State of Colorado's Measures of

Academic Success (CMAS) Science assessment as well as the SAT and PSAT exams in April. We would like to take a moment to encourage everyone to have their children take the test and to thank you for your support last year. With your support, your student can help show how well our school and the school district, as a whole, is performing.

[Please click here for the entire Principal's letter](#) including our testing schedule.

Warriors Baseball

Centaurus Warriors Baseball will be holding team tryouts Monday Feb. 28 through Friday Mar. 4 on the Varsity Baseball field, starting at 4pm. Please plan on attending each day.

You will need to have a current sports physical on file with the school before attending.

Please contact Coach Doug Kinney (douglas.kinney@bvsd.org) if you have any questions.

Eco-Warriors Tree Project

Eco-Warriors is partnering with 5 other high schools, The Nature Conservancy, Cool Boulder, and an organization called Tree-Plenish to plant 1,200 trees in the Boulder Valley area this Earth Day. Tree-Plenish works with high schools nationwide to offset their paper usage by providing trees to be planted in peoples' yards, and Eco-Warriors had been planning on planting around 210 saplings with Tree Plenish up until the Marshall Fire. After the fire, we had the idea to increase our tree goal by about 1,000 to try and restore the vegetation lost throughout Superior and Louisville. Because our event has expanded by so much, we really need people to buy trees for their yard; we are also trying to plant in public spaces but obtaining permission from cities has been a bit difficult. We would really appreciate it if you could buy a tree (or two or three!) for your yard! Saplings are \$5, and you can choose from three tree species: the Eastern Redbud, the Blue Spruce, and the Northern Red Oak ([view our Tree Species Flyer here](#)).

To buy a tree for your yard, you can go to this site:

<http://tpevents.org/school/1078>.

If you can't buy a tree, you can still help by advertising our event with the links attached below and following our Instagram at @bvsdtrees.

If you have any questions, please contact Caroline Armstrong (csarmstrong01@bvsd.org) or Ava Moorhead (ajmoorhead01@bvsd.org). Thank you so much!

Girls Learn-to-Play Ultimate Frisbee clinic

The [Centaurus Girls Ultimate Frisbee team](#) is sponsoring a girls learn to play practice/clinic on Thursday, February 24th at 4:15-5:45 pm at Ryan Elementary, weather permitting. Please email Coach Jana (jana.krutsinger@bvsd.org) or Coach Craig (craig.cutforth@bvsd.org) for more details.

Percussion Line Performance

Centaurus High School and the CHS Winter Percussion Line will be hosting their third competition for the Rocky Mountain Percussion Association on Saturday, Feb 19th. Performances of 20 area Indoor Percussion Lines begin at 11 am in the CHS main gym. Centaurus performs at 2:00pm. Tickets: \$12 for adults, \$5 for students and seniors.

Getting to know your Centaurus Team

Each week we will introduce a member of the Centaurus faculty or staff to our parent and student community. This week we would like to introduce Mackenzie Magner.

Hi Centaurus Community! My name is Mackenzie Magner and I am a resource teacher at Centaurus. I have been teaching at Centaurus for the past five years and started coaching the JV/Freshman Girl's Soccer Team at Centaurus last year. I grew up in a small town outside of Columbia, Missouri, and then moved to Fort Collins, Colorado for college at Colorado State University (Go Rams)! I then moved to Denver to get my teaching degree at the University of Colorado Denver. In my spare time, I enjoy paddleboarding, skiing, hiking, and seeing live music.

Women in Law Day

Every year the Women's Law Caucus at Colorado Law invites high school and undergraduate students across Colorado to join us to learn about law school and the career opportunities available to aspiring lawyers. The goal of Women in Law Day is to encourage young women of all backgrounds to consider a career in law.

Women in Law Day (WiLD)

Where? Wolf Law Building (CU Boulder), 450 Kittredge Loop Dr, Boulder, CO 80305

When? April 2, 2022, 8:30 am - 3:00pm

Who? Open to all. The programming is tailored to high schoolers and undergraduate college students who want to learn more about a legal career.

What? *Women in Law Day is free!* The schedule includes a mock first-year law class (no prior knowledge needed), panel sessions with local practicing women attorneys, a keynote speaker, opportunities to hear from current law students and meet women attorneys, and the chance to speak to law school admissions staff.
