ACADEMIC ACCELERATION AUTO-ENROLLMENT NOTIFICATION

Dear Northshore Family:

Per RCW 28A.320.195, the Northshore School District has adopted Academic Acceleration Policy 2195. Students who meet or exceed standard on the English, mathematics or science state assessments or who successfully complete an advanced course must be automatically enrolled in the next most rigorous course. Specifically:

- Any student who meets or exceeds the state standard on the 8th grade or 10th grade English or math state assessment must be automatically enrolled in the next most rigorous English or math course offered by the high school that aligns with the student's high school and beyond plan.
- Any student who meets or exceeds the state standard on the 8th grade or 10th grade English state assessment are eligible for enrollment in advanced courses in social studies and humanities.
- Any student who meets or exceeds the state standard on the 8th or 11th grade Washington Comprehensive Assessment of Science are eligible for enrollment in advanced courses in science.
- Students who successfully complete an advanced course in English, math, science or social studies are then enrolled in the next most rigorous level of advanced course with the objective that students will eventually be automatically enrolled in courses that offer the opportunity to earn dual credit for high school and college.

Additionally,

- As a parent or guardian of a high school student, you may choose to opt your student out of an advanced or dual credit course and enroll your student in an alternative course or program that aligns with the student's high school and beyond plan.
- If you have any questions, please contact your student's school counselor.

Students referenced above are automatically enrolled in the next most rigorous advanced or dual credit course. If you would like to have your student:

- **automatically enrolled** in an advanced or dual credit course, you do not need to take any further action.
- **opted out of the automatic enrollment**, please indicate your preference below by marking the box for each course you would like to opt out of the automatic enrollment process, and return the form to your student's counselor.
