

## KEENEYVILLE SCHOOL DISTRICT 20

5540 Arlington Drive East, Hanover Park, IL 60133 | (630) 894-2250 | [www.esd20.org](http://www.esd20.org)

February 28, 2022

Dear Keeneyville District 20 Families,

On Friday, February 25, the CDC changed their [COVID-19 guidelines](#) on [community transmission levels](#) and mitigations. The CDC's new recommendations align precautions for schools with those for other community settings. DuPage County's status changed to [Low Transmission](#), which means that the following preventions steps are recommended by the CDC:

- Stay up to date with COVID-19 vaccinations and booster shots
- Maintain improved ventilation through indoor spaces when possible
- Follow CDC recommendations for isolation and quarantine, including getting tested if you are exposed to COVID-19 or have symptoms of COVID-19

As you know, District 20 updated our mitigation efforts starting last Tuesday, February 22. With state and federal guidelines changing last Friday, ***effective today District 20 is now able to transition to mask optional on buses.*** Please take a few moments to review D20's Mitigations Update ([ENGLISH](#) / [SPANISH](#)) and/or [2/24/2022 Presentation to the Board](#), if you have not yet done so. We have also added several [Frequently Asked Questions](#) on our district website to provide additional information for families and staff.

We encourage you to complete [Parent/Guardian 5Essentials Survey](#) before it closes on March 11. The online survey is completely confidential and is offered in English and Spanish. Please complete a separate survey for each of your children's schools. ***Your feedback is very valuable to us as we work collaboratively to provide Keeneyville D20 students with the best education possible!***

Sincerely,

Dr. Omar Castillo  
Superintendent of Schools  
Keeneyville ESD 20
