Re: School Evaluation for efficiency

February 17, 2022

We recommend 5 clusters of schools to be evaluated for efficiency based upon several items: age of building, enrollment, proximity to other schools and utilization.

The recommended clusters are as follows-

Cluster one

- Parkview Elementary
- Riley Elementary
- Franklin Elementary

Cluster two

- Newman Elementary
- Washington Elementary
- Rose Park Elementary

Cluster three

- Mary W. Jackson Elementary
- Edison Elementary
- Franklin Elementary

Cluster four

- Wasatch Elementary
- Ensign Elementary
- M. Lynn Bennion Elementary

Cluster five

- Emerson Elementary
- Hawthorne Elementary
- Nibley Park School
