Basketry

Traditional & contemporary techniques
with Lissa de Sailes

LEVEL:
All levels

COST:

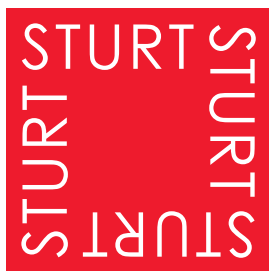

\$825 + 80materials

Begin your five-day exploration into basketry studying traditional and contemporary techniques. Enjoy a journey of basketry techniques including weaving, coiling, twining, braiding, looping and interlacing while gaining hands-on, practical experience in preparing your own materials to use during the course. You'll be encouraged to bring a concept for a project to work on independently under Lissa's guidance during the week and will make a collection of small works produced from your explorations.

Lissa de Sailes has had the privilege of learning both traditional and contemporary basketry skills locally and internationally with notable master makers such as Joe Hogan (Ireland), Polly Adams Sutton (USA), Jackie Abrams (USA) and Jim Wallace OAM. Her work is inspired by her love of the NSW South Coast and its history.
