White Bear Lake Area Schools continue to follow the recommended guidance regarding the COVID-19 virus from the Minnesota Department of Health. Due to COVID-19, classes and events are subject to change. You will be notified by email if the programs you are registered for experience any changes or has any COVID-19 requirements to participate.

Don't forget to self-screen before attending in-person classes. Students, teachers, and staff should stay home if they have signs of infectious illness, and should contact their health care provider for testing and care. If you are sick or have any COVID-19 like symptoms, do not attend class and call 651-407-7501.

Self Screen Before Class:

Have you had:

- Fever of 100.4 or higher?
- New cough or cough that gets worse?
- Difficulty/hard time breathing?
- New loss of taste or smell?

If you are sick or have any of these symptoms, do not attend class and call 651-407-7501. If you become sick a few days after class, please call 651-407-7501 to inform us for contact tracing purposes.

Online Classes: When you register for an online class, a link to the class will be emailed to you 1-2 days prior to the start date.

Facilities Reservations: All requests for facility use within the White Bear Lake Area School District #624 should be made on either the Facility Scheduling Voicemail Line, 651-407-7503, or email your request to: facilities@isd624.org.

Refunds & Prorating: Notify Community Services & Recreation immediately if you need to withdraw from a class. Full refunds or credits are given if a class is canceled. Refunds are not issued after a class has begun. There are no prorated fees. To receive a refund, minus a processing fee, you must withdraw from an activity at least 3 business days prior to the first day of the activity.

Processing fees for classes:

- Under \$50 have a \$5 fee
- \$50-\$149 have a \$10 fee
- \$150-\$399 have a \$20 fee
- \$400+ have a \$30 fee

UCare Discount: UCare members may be eligible for a \$15 discount on most classes. If a class is less than \$15, the class will be free of charge. Members must be on UCare at the time of registration and during the class(es). Members need to include their UCare ID number when registering. This discount cannot be used for the following classes: Private lessons, alcohol-related activities, high-risk activities (skydiving, rock climbing, etc.), and gambling trips. **To have your discount applied, you must call to register.**

Your Privacy is Important to Us: Your registration information is considered private data under state and federal law. Information is used for the purposes of administering the activity, contacting you about upcoming activities, events or activity changes. If you may choose to withhold this information, this could limit the distribution of information to the participant or instructor.

Liability Waiver: There is an inherent risk of accident or injury in any activity. It is the responsibility of the participant or the parent of the participant to be aware that there are assumed risks in participation. ISD 624 assumes no responsibility for injuries received during activities. Any changes in a participant's activity level should be done under approval and direction of their physician and/or healthcare provider(s).

Do You Have a Disability? Do not let it be a barrier to enjoying the wide variety of class offerings in this catalog. Please call 651-407-7501 to discuss accommodations.

Need Financial Assistance? WBL Community Services & Recreation is dedicated to providing learning opportunities for people of all ages. Limited financial assistance is available. For details and to apply, call 651-407-7501.

Community Education and Mahtomedi
Community Education, offer full-service

Adult Basic Education (ABE) programming for all area residents
through Harmony Adult Education.

Courses:

- **English Language Classes (ESL):** Join our community of adult learners and improve your English language skills. Classes are held online on Tuesdays and Thursdays. Teachers are available from 9am - 12pm or 5 - 8pm. To register, please call 651-748-6208.
- **GED Prep & Testing:** General Education Development (GED) Preparation is a self-paced program designed to help you study and prepare to take the GED tests. Day or evening drop-in classroom training is available at no cost to adults in our community. Our staff will work with you on the subjects in which you need improvement. Practice tests help monitor your progress and prepare you for taking the official GED tests. The time needed to complete the GED varies for each student.
- **Health Care Careers:** Are you interested in a career in health care? We can help you train for an entry-level position on a track toward a career as a Home Health Aide (HHA), Certified Nursing Assistant (CNA), Licensed Practical Nurse (LPN) or Registered Nurse (RN). We work with local Senior Housing and assisted living and memory care facilities to help workers find employment.
- **IT Careers:** Harmony Adult Education can help you prepare for a future career in the Information Technology (IT) field. Students may begin this free course at any time and certification tests are offered onsite.
- **Paraprofessional Careers:** Adults seeking employment as a paraprofessional are often required to have an associate's degree or at least 60 college semester credits. The ParaPro test is an alternative way to satisfy this requirement.
We offer no cost study classes and practice tests for the ParaPro test. Testing is also available onsite. Students are responsible for testing fees.

For more information or questions on the many free classes offered, GED Diploma, and testing, call 651-748-6208 or visit communityservices.isd624.org/adults-seniors/adult-basic-education. FLEX is an after school program designed just for middle schoolers! Students will have opportunities to design their daily activities,

work on homework, participate in open gym, and hang out with friends in a safe, relaxed, and engaging atmosphere. Students may be picked up, bike/walk home, or take the activity bus.

Schedule is flexible and can wrap around intramural, enrichment, or other after school athletics and activities. Parents must complete a contract and select each day your child will attend. Multiple absences will result in removal from program to allow students in waitlist to enter.

4 - 5:20 pm / FREE

Session dates: Mon - Thu, Sept 13, 2021 - May 26, 2022

To register visit whitebear.ce.eleyo.com, keyword FLEX.

Driver's Education: A+ Driving School

AGES 14+ / INSTRUCTOR: A+ DRIVING SCHOOL
Students may start classroom driving lessons at age 14, take the Knowledge Test and obtain their Instruction Permit at age 15, and take the Road Test and obtain their Provisional License at age 16. To be eligible to take the Road Test, students must have had their Instruction Permit for a minimum of six months

Classroom Phase: This phase includes the required 30 hours of classroom instruction that prepares the student to take the Minnesota permit test and to take on the responsibility of driving. If a lesson is missed, a make-up lesson can be arranged with the office at either the next session or at another of A+'s locations.

Behind-the-Wheel Phase: After students pass the permit test, they are required to complete 6 hours of driving lessons. The lessons are provided in three, two-hour lessons. The lessons are one-on-one instruction with instructors licensed through the MN Department of Public Safety.

Parent Involvement: A+ Driving School is proud to offer a 90 minute parent informational meeting that will cover the following information and make your student the safest driver possible: GDL Process and licensing, accident avoidance, A+ Driving School's classroom policies and BTW scheduling, parental guidelines and insurance rates and discounts. This is open to ANYONE at any stage of the licensing process. Attending this class will meet the requirement to REDUCE the number of hours that students need to drive with a parent from 50 to 40 hours.

Fees include classroom instruction, materials and 6 hours of behind-the-wheel training. Permit and road exam fees are not included. *Payment plans available.*

Child & Babysitting Safety Class (CABS)

AGES 11-15

This program from the American Safety and Health Institute gives everything you need to know for safe and successful babysitting. The YouTube "vlogger" style presentation of the video brings a youthful and high-energy spirit to the program content and the colorful magazine format of the student book makes learning fun. From getting started with your business, to working with parents and children, to key safety, caregiving, and first aid tips, CABS will help set you up for babysitting success. Students must be present for the entire class and complete achievement of the core learning objectives to receive certification valid for two years. Instructor provides baby dolls, bottles, diaper supplies for skills participation. Students attend this class independently. Parents are encouraged to review the take home information and discuss it with their child.

SUMMER Driver's Education: A+ Driving School

AGES 14+ / INSTRUCTOR: A+ DRIVING SCHOOL

Summer distance learning (virtual) classes are subject to change to in-person at any time. Students may start classroom driving lessons at age 14, take the Knowledge Test and obtain their Instruction Permit at age 15, and take the Road Test and obtain their Provisional License at age 16. To be eligible to take the Road Test, students must have had their Instruction Permit for a minimum of six months. The Driver's Education Program is divided into two phases:

Classroom Phase: This phase includes the required 30 hours of classroom instruction (10 lessons) that prepares the student to take the Minnesota permit test and to take on the responsibility of driving.

Behind-the-Wheel Phase: After students pass the permit test, they are required to complete six hours of driving lessons. The lessons are provided in three, two-hour lessons. The lessons are one-on-one instruction with instructors licensed through the MN Dept. of Public Safety. Students can be picked up from and dropped off at home, school or work.

Parent Involvement: A+ Driving School is proud to offer a 90 minute parent informational meeting that will cover the following information and make your student the safest driver possible: GDL Process and licensing, accident avoidance, A+ Driving School's classroom policies and BTW scheduling, parental guidelines and insurance rates and discounts. This is open to ANYONE at any stage of the licensing process. Attending this class will meet the requirement to REDUCE the number of hours that students need to drive with a parent from 50 to 40 hours.

Fees include classroom instruction, materials and 6 hours of behind-the-wheel training. Permit and road exam fees are not included. *Payment plans available.*

AGES 14+

Are you excited to be getting your driver's license but nervous about taking care of your vehicle? This one-night course will give you an overview of how to make you a more informed vehicle owner. A few of the topics that will be covered during this course include vehicle maintenance, checking vehicle's fluids, checking the vehicle's tires, and how to jump-start a vehicle. After taking this course, you will have more confidence in being a new driver and having to take care of a vehicle.

Please Note: There will be opportunities for hands-on participation. Wear older clothes that you will not mind if they get dirty. Safety glasses and gloves will be provided.

No vehicle needed. Learning will take place on school-owned shop cars.

MN Swordplay Fencing

AGES 6-18 / MN SWORDPLAY

Whatever you are looking for in the sport of fencing there is something for everyone! Fencing is a vigorous sport that develops stamina, quick reactions, speed, accuracy of movement and excellent coordination. More than a game fencing requires a mental attitude of self-discipline involving total manipulation of mind and body in perfect harmony. It utilizes natural body movement to create simple and effective self-protection techniques with the sword. All participants are encouraged to have fun no matter what their ability. Attacking, defense, timing and intense tactics are all integrated into this beginning class. Whether you're fencing for a good work out, or gaining points for the Olympics, fencing is fun for the whole family. We provide everything needed to fence (mask, jacket, glove, and weapon). Fencers need only to come dressed comfortably (for freedom of movement) including long sweat pants and running shoes.

Summer Youth Recreation

WBL Summer Nordic Ski

Summertime is the right time to prepare for the upcoming Nordic ski season! This program will focus on strength, technique, speed and endurance. You can choose either Session I (Monday/Wednesday) or Session II (Tuesday/Thursday morning) or choose both sessions. Mondays and Tuesdays will focus on dryland training and on Wednesdays and Thursdays you will be on roller skis and will focus on technique and speed. All groups will be together on every other Saturday for a long endurance roller ski session. The program will focus equally on both the classic and skate techniques.

The locations will vary, but the weekday sessions will all take place within the ISD 624 boundaries and the Saturday sessions will be a little further afield, but nearby. Roller skis are required (a combo or classic ski or a set of skate and a set of classic) and helmets are mandatory. There will be some skis available for use, but the supply is limited.

Program begins June 6 and runs until July 31. All sessions for the week of June 6 will take place from 6-8 pm. There are no sessions July 2-9.

Lil' Cubs Football Camp

GRADES 1-7
This popular camp is for students who have completed grades 1- 7 and who love the game of football! We will work on the fundamentals such as 3-point stance, tackling (bags), throwing and catching while learning about sportsmanship and teamwork. We will also focus on leadership, self confidence, physical movement, and how to be a student athlete. Students should dress in athletic clothing and wear either athletic shoes or cleats. This is a non-contact football camp, no tackling will be involved and kids will be divided up by age. Students are encouraged to wear their favorite football jersey. A flag football game will be played at the end of each day. As always, we hope to have Gopher football players join us!

Summer Youth Recreation

Youth Tennis

AGES 7-ADULT

We offer a variety of tennis options for children ages 7-18 as well as adults. Our tennis lessons are designed to get beginning youth and adults playing tennis as quickly as possible. Lessons plans follow a logical progression of skill-building drills and games.

Beginner: For players who have little to no experience playing tennis. Students will learn each stroke from the very beginning and work on technique in a success-orientated environment. This class uses age-appropriate tennis balls.

Intermediate: For players who completed the Beginner class or has some playing experience. Concentration is on improving technique and learning how to control the ball. In class players focus on stroke production, learning to hit to specific targets and point playing experiences.

Advanced: Prerequisite: Beg/Inter Class or equivalent experience. Students will concentrate on court positioning, strategy and reviewing and improving their techniques. There will be "player sustained" drills which simulate match play.

White Bear Lake Area Schools is piloting a Children's Defense Fund Freedom Schools site this summer. This no-cost summer program is designed to strengthen scholars'

reading skills and prevent summer learning loss. The CDF Freedom Schools program enhances children's motivation to read and makes them feel good about learning. At the same time, the program connects families to the right resources in their communities. CDF Freedom Schools scholars engage in CDF's research-based, multicultural Integrated Reading Curriculum (IRC) that supports them and their families through five essential components:

- High quality academic enrichment
- Parent and family development
- Civic engagement and social action
- Intergenerational servant leadership development
- Nutrition, health, and mental health

Freedom Schools is an invite only program intended for students currently in grades K-5. This is a six week program beginning on July 6th.

Just Yesterday & Years Ago

As we steadily progress through the school year and head into the spring season, it is hard to believe that we will soon be in the home stretch of my fifth year as superintendent. Thinking back on the successes we have gained and the challenges we have faced head-on since 2017, it seems as though the memories are simultaneously “just yesterday” and “years ago.” I invite you to think back with me over the last five years.

When I began my tenure as superintendent, moving from my former role as Assistant Superintendent for Finance and Operations in the district, one of the first important tasks was to help people understand how to pronounce my name. (It’s “Kaz-mer-check” for those who are still wondering. Our students helped us pull off a fun pronunciation video that still lives at isd624.org/about/superintendent for those who want to check it out.)

That first year, the 2017-18 school year, was filled with important work that laid the foundation for much of what we’re able to accomplish today. In the fall, our community supported a local operating levy renewal. Our school community also participated in a Strategic Planning process that year, building a plan that was approved by the School Board in April, 2018.

Throughout the next school year, building-level strategic planning committees worked to set the course for our individual schools and programs. Running parallel to these processes, a district-wide comprehensive facilities planning process kicked off in the fall of 2018 and continued through the 2018-19 academic year.

**Attendance Boundaries Process**

The district is facilitating an attendance boundaries process in order to accommodate student enrollment and best utilize new/expanded facilities.

A description of the process, attendance boundaries, the attendance boundary design framework, presentations and meeting materials, a Q&A and an attendance area lookup tool can be found on the district's website at www.isd624.org/AttendanceBoundariesProcess.

Welcome to White Bear

White Bear Lake Area Schools is currently accepting enrollments for incoming students who will begin kindergarten in the Fall of 2022.

Information has been mailed to families of incoming kindergarten students. Those who have incoming kindergartners but have not received information from the district are invited to call us at 651-407-7674 so that we can provide information and get your child on the incoming kindergarten list.

In preparation for the welcome activities, our principals provided incoming kindergarten families with a video glimpse of the awesome opportunities that await our newest White Bear Lake Area Schools students. They ended the video in White Bear fashion, with a hearty “Go Bears!”

See the video at the QR code below.

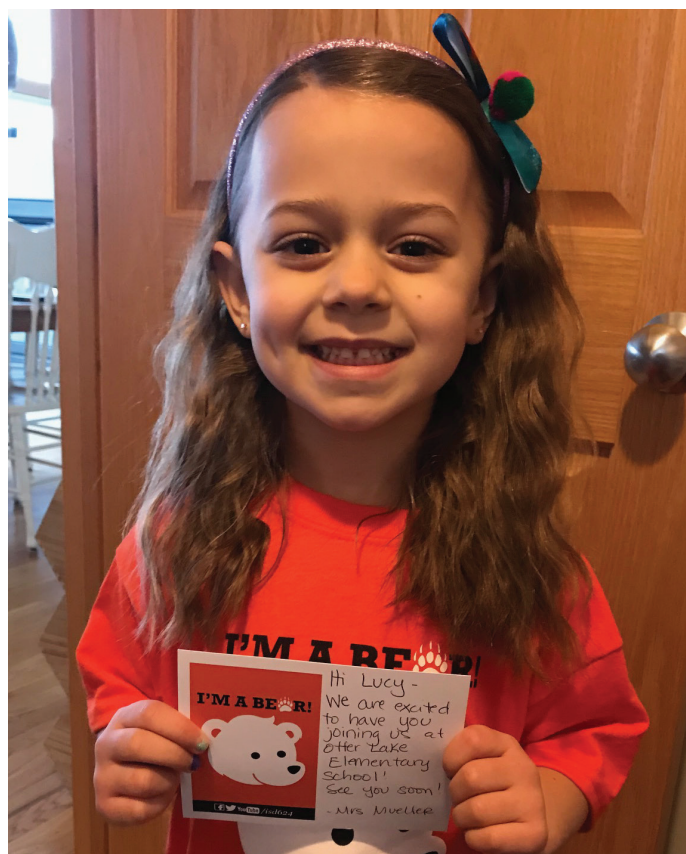

Scan the QR code to learn “Go Bears!” from our principals!

The White Bear Lake Area Schools offer a choice of K-5 programs:

- The Full-Day, Every-Day Kindergarten option is a free kindergarten program offered at all elementary schools in the District.
- Matoska International IB World School is a program offered to all students in the White Bear Lake Area School District. The program is an International Baccalaureate (IB) world school. The District provides transportation from any point in the school district for students enrolled at this school.

Complete information about the district's kindergarten offerings can be found at
www.isd624.org/kindergarten

Welcome to White Bear!

We are excited to welcome families and let them check out our buildings and programs in person. Incoming kindergarten families who are interested in touring any of our district elementaries may contact the school and we will personalize a tour at a time that works best for you.

Those families who have not already done so may register their child(ren) for kindergarten at the school tours.

I'm a Bear!

When the enrollment process is complete, students will receive a Kindergarten Welcome Packet in the mail that will include a special “I'm a Bear” t-shirt.

Kindergarten Gatherings

Students will have a chance to meet the kindergarten teachers and tour their schools at in-person events planned at the district's elementary buildings later this spring.

Continued from front page

Armed with information from the facilities planning process and sharing in the district's vision of "Building Our Future," the community passed a \$326 million bond referendum, the largest in state history, in the fall of 2019. With a facilities plan set to be completed in 2025, the bond funding allows us to address projected enrollment throughout the district, invest in our aging facilities and infrastructure, and create a single unified grades 9-12 high school.

Our story of the spring of 2020 is not unlike many others, with "unprecedented" and "abundance of caution" becoming familiar phrases as we all learned the ropes in what would become a new normal. The effects COVID-19 had on our district, community, state, nation and world were numerous, but I am proud to say that even in the midst of such challenges we were able to remain nimble and figure out ways to serve our students and families in ways we never had before.

The 2020-21 school year brought with it the continued need for flexibility as we served students in new learning models and within new standards of operation. We also continued to move forward in accomplishing large-scale initiatives, starting with the first in the list of building projects. We also hosted important conversations with our community that ultimately led to changing school start times for 2021-22 in order to more closely align with our district's strategic plan and with research on adolescent sleep.

In the midst of the current school year, we continue to prioritize keeping our students in school in-person. As we've worked through our comprehensive facilities plan list, we have celebrated the completion of some building projects, broken ground at others, and worked with planning committees at others still. The attendance boundaries process we have navigated this year, made necessary by enrollment trends and the new North Star Elementary being built in Hugo, will be implemented in two phases, with some boundary shifts happening in the 2022-23 school year and others following in 2023-24.

To say that the past five years have been bustling would be an understatement, but in all the frenzy has been a calming undercurrent of community that ties us all together. Thank you for taking this walk down memory lane with me, and thank you for your part in building these five years of memories worth celebrating.

Dr. Wayne A. Kazmierczak, Superintendent
White Bear Lake Area Schools

Send Us Your Bear Wear Pics!

We are looking for photos of little ones in their "Born to be a Bear" onesies and "I'm a Bear" shirts!

Email photos to communications@isd624.org and you may find your little one(s) featured in a District publication!

Onesies are sent to families who live in the district upon the arrival of a little one, and shirts are sent to households with toddlers when they receive Screen at 3 information. Kindergartners receive shirts when their enrollment paperwork is complete.

300 Wins

White Bear Lake Area High School Coach Jeremy Post earned his 300th win in January as the head coach of the WBLAHS Girls' Basketball team.

The win took place on a road game and was followed up with a short presentation at the team's next home basketball game.

School Board approves naming of North Star Elementary

At the December 13, 2021 Regular Meeting, the White Bear Lake Area School Board approved the name North Star Elementary for the new elementary school in Hugo. The building, part of the district's comprehensive facilities plan funded by the community's support of the 2019 bond referendum, will open in Fall of 2022 and will serve students in grades kindergarten through fifth grade in the northern part of the district.

The naming process took place during the fall of 2021, with the New Elementary School Naming Task Force first meeting in September. Input was solicited from the community, with more than 80 recommendations of potential names being submitted. The committee divided the names into seven categories and whittled the names down to three possibilities, out of which North Star Elementary was chosen.

Principal Dan Schmidt, who will serve as the school's principal when it opens in the fall of 2022, outlined several reasons behind the choice of the name. "North Star is a positive name that mirrors the school's location in the district. It is an orienting star in the Northern Hemisphere that is inspiring and uplifting," he said. Schmidt also noted the historical significance of the star, providing examples of the directional guidance used by slaves and the importance of the star to some Indigenous communities.

The North Star's relation to nature was listed as another strong tie to the school's name, as natural elements have been worked into the design of the new building to take advantage of the large natural setting the school is built within. Schmidt also provided a fun astronomy fact that was considered as the option was chosen, noting that the North Star is part of the Little Dipper, which is also known as Little Bear.

At the meeting, Principal Schmidt shared that North Star Elementary was submitted through the community input process by White Bear Area High School graduate Becky Butters-Levahn, who is a parent in the district and a special education teacher at Lincoln Elementary.

Construction continues on North Star Elementary, located on Highway 61, north of the Hugo Post Office. The project is scheduled to be finished before the 2022-23 school year. The community will be invited in to tour the new building later this summer when the elementary school is completed.

Updates on the North Star building project, along with other construction projects throughout the district, can be found at the district website, directly at www.isd624.org/BuildingOurFuture.

Early Childhood Screening - Screen at 3

Early Childhood Screening is required by the state of Minnesota for all children prior to entering kindergarten.

The best age at which to screen is age three. The White Bear Lake Area School District provides this screening at no charge.

3 REASONS TO SCREEN AT 3:

- Screening can ensure school success
- If health or developmental concerns are identified, educational services are available
- It is fun and provides parents/guardians with valuable information regarding child development

Register for Early Childhood Screening online at
<https://whitebear.ce.eleyo.com> or 651-653-3100

Early Childhood Screening takes place at:
Normandy Park Education Center, 2482 East County Road F, WBL

Requesting an Interpreter

Families can request that a district staff member call them through the use of an interpreter who speaks the language they speak.

Information about how to make the request can be found in text and audio translations, in all languages spoken by students in the district, on the district website or at the QR code at right.

Digital Backpack

The White Bear Lake Area Schools Community Services Department distributes electronic flyers on the first and third Thursday of each month. Flyers include announcements from the school district, as well as local organizations that offer opportunities for youth.

Those who wish to request distribution of a flyer should email the files to the Community Services and Recreation Department at michelle.hubbard@isd624.org. The Digital Backpack can be found on the Community Services website at <https://communityservices.isd624.org/about/digital-backpack>.
