When a place becomes available there will be no additional Admission Fee to pay. If a place is not available within 12 months of being placed on the waiting list, the school will refund the Waiting List Fee in full, or you can request to remain on the waiting list and the Waiting List Fee will be refunded at a later date if a place is not available.

Meals

Lunchtime meals and other snacks are provided by the school at no additional charge.

Uniform

Uniform can be purchased from the school shop, which also has a range of accessories, stationery and other materials.

Textbooks

Textbooks are provided free of charge for all years up to and including Year 9. Students in Years 10-13 can either pay the school to provide textbooks at cost (plus an administrative charge), or can purchase the textbooks themselves.

Expeditions and Trips

All year groups from Year 1 upwards have a compulsory residential trip each year. Charges for these expeditions will be billed prior to the event taking place. In addition, there will be opportunities for other expeditions, camps, cultural visits, sporting and outdoor pursuits throughout the year. Costs will be billed when these additional events take place. There will be no refund for these trips and expeditions other than at the sole discretion of the Head Master and only recoverable, non-shareable costs will be refunded.

After-school Activities

A charge is made for after-school activities which varies depending on the type of equipment used, the instruction, any testing required and any special clothing or accessories needed. Parents will be given details of the charge for each after-school activity and students may select from a range of activities.

Saturday School

Attendance at Saturday School will incur an additional charge per term, plus certain examination charges used for benchmarking purposes. Boarders can attend free of charge. Saturday School is open to all students; for those receiving English Language Support, attendance is highly recommended. Students are expected to attend every Saturday throughout the term in order to benefit fully from the additional teaching provided.

Individual Music Lessons

Individual music lessons are charged per half-hour lesson per instrument. Billing will be made on a termly basis. For further information please contact the Music Department.

Examinations/Examination Study Programme

Examination Fees, regardless of the number of examinations taken, will be charged for IGCSE/AS/A2/EAL candidates and for certain other examinations.

These Examination Fees cover the regular examination programme for each student's particular course of study throughout these years. Students will be charged an additional fee for undertaking any resits of particular examinations or making an enquiry about their results.

Students taking tests of English proficiency will be charged the actual cost plus an administration charge when they sit the exams.

The Examination Study Programme starts in early May when students in Years 11-13 will be provided with opportunities to work with their teachers in the run up to their external examinations. Tuition is provided throughout the examination period with lessons focusing on revision and examination preparation tailored to meet the needs of the students. We strongly advise students to take up the study options offered at school during this period so that tuition is ongoing and also because fees are payable for the whole year's tuition. There is no fee refund for those choosing to take 'study leave' and not attending school during the Examination Study programme.

English Language Support

English language support will be provided to those students from Pre Nursery to Year 5 who, in the school's judgment, require this additional support. There is no additional charge for this support and it will be provided for a maximum period of three years.

Group Personal Accident Insurance

The school's group personal accident insurance policy covers each student up to **THB 15,000** for medical expenses and **THB 150,000** for accidental death or permanent disability. Insurance details can be obtained from the Human Resources Department. It is highly recommended that each student also has his/her own medical policy appropriate to their circumstances since the school's group personal accident insurance policy has limits on the amount and extent of coverage.

Notice of Leaving (Refund of Deposit)

One full term's notice, in writing on the official Notice of Withdrawal Form to the Head of School, is required for any student leaving the school, or leaving boarding to become a day student. The official Notice of Withdrawal Form must be completed and signed by the parent and Head of School. The form can be obtained from the Admissions Department. It is not sufficient to verbally inform a member of the school or send an email to advise that a student is leaving. The official Notice of Withdrawal Form must be signed and submitted to the Head of School one full term before leaving the school. Notice of leaving the school and/or boarding must be received by the first week of the term in which the student is leaving at the end of. Where less than one full term's notice is provided, then the deposit will not be refunded. Students graduating at the end of Year 13 are exempt from this requirement to give notice.

Entry/Leaving other than at Beginning of the Academic Year

For students entering or leaving the school later in the academic year, annual fees will be prorated on the basis of weeks of tuition remaining in the year (including the week of entry) compared to the total weeks of tuition per annum.

Extended Absence

In the case of a student being absent from the school for an extended period exceeding 4 weeks due to sickness or other related causes, the school will consider giving a credit equivalent to the tuition time lost against future fees on the student's return to school. Refunds of fees already paid are not given. Parents are reminded to keep the school informed as developments occur so that decisions can be taken as needed in the best interests of the student.
