FREE MEALS

A free breakfast and lunch will be available for all scholars.

Funding for On My Way to Kindergarten is to support scholars before they enter kindergarten, and specifically those who have experienced life circumstances that may have prevented them from being able to attend a high-quality early childhood program due to COVID-19. Registration is required in advance and will be prioritized based on specified criteria listed below. Space is limited.

- Foster care
- Child protection
- Experiencing homelessness
- Tribally enrolled
- Child of teenage parent(s)
- Child referred to or currently receiving supports and services such as Early Childhood Special Education (ECSE) or English learners.
- Qualifying for free or reduced-price lunch or other public assistance programs that demonstrate a household income of 185 percent or less of the federal poverty guidelines.

FREE TRANSPORTATION

Transportation is provided to eligible scholars based on district transportation guidelines. To make a request or to verify eligibility for transportation call 763-391-8777.

Your community investment: a look at district finances

Two voter-approved levies are expiring in 2023 that were 10 years in length. The first is an operating levy that finances learning needs and the daily cost of running schools. The second is a capital projects levy that finances the district's Digital Learning for All program. Voters can anticipate being asked to renew both levies this fall.

Building a Better Future, the district's comprehensive facilities planning process, continues to study building capacity issues, next generation learning spaces, safety and security needs, and athletic facility needs. An update on the group's progress will be shared in the coming months, including more on the possibility of a bond referendum to finance proposed recommendations. Likely this would be asked in 2023. Note that it's been more than 21 years since a bond referendum was presented to voters.

Community members have been and will continue to be part of these financial planning processes.
