We are most pleased that our varsity teams compete in the MIAA State Tournament this week, Congratulations to the teams and their coaching staff for their hard work!

As fans, we can show our support by being on hand to cheer the Lancers on to victory. At tournament sites home and away, politely follow the instructions of any MC faculty or other adult supervisors from other schools or MIAA. If you're asked to leave a facility you will not be allowed back to any MC athletic event.

Ticket sales are coordinated and collected by the MIAA to support state-wide athletics. Admission is cash for the first two rounds and then all will be electronic on GoFan.com. Tournament Games are open to the public and are subject to MIAA supervision and regulations. We want MC fans to provide only **positive support** for our team and **courtesy** for our opponents. All players on both teams have worked hard to get there and deserve respect. We fully expect sportsmanlike conduct by players and by our fans.

Specifically, please observe these guidelines:

- Please sit with MC fans. Don't stray from the tournament site.
- Cheers should be in support of our **team** (not naming individuals), should be positive, and not ever against opposing individual players, teams, or coaches, nor directed at officials.
- Attention should stay focused on **team** action on the court, not on fan actions in the stands.
- Noisemakers are not allowed. Shirts required.
- Do not boo or yell at officials.
- Please be reminded that improper behavior by others does not give you permission to use similarly improper behavior. Two wrongs don't make a right.
- Do not make noise during free-throws; chanting "air-ball" is not clever; it's inappropriate.
- We ask our parents and alumni, also, to display positive example and sportsmanship.
- Stay off the floor, in stands, until players have left the court. No spectators are permitted on the floor or locker room.

Click [here](#) to view the **MIAA's Taunting Policy**. **Taunting may result in ejection** of fans from the game, can penalize our team, and may result in further school disciplinary action.

Taunting includes any actions or comments by coaches, players, or spectators which are intended to bait, anger, embarrass, ridicule, or demean others, whether or not the words are vulgar or racist. Included is conduct that berates, needles, intimidates, or threatens based on race, gender, or ethnic origin, or background, and conduct that attacks religious beliefs, size, economic status, speech, family, special needs, or personal matters.

Thank you for your positive support of our Lancers in their Tournament play!
