

# Parent Consent form for tube feeding of Students

NOTE: If possible, parents are advised to give tube feeding at home and on a schedule other than during school hours. However, when it is necessary for a student to have tube feeding during school hours, the following regulations must be followed:

1. Nutritional product must be ordered/ advised by a physician and permission granted to school designee to contact physician if necessary.
2. Nutritional product must be brought to school in the **ORIGINAL** container with the label intact.
3. Parent/ guardian must sign this form, granting designated school employee permission to give tube feeding, according to school policy.
4. All necessary tubing and adapters must be sent in good working order and replaced upon request.

The designated school employee at \_\_\_\_\_ has my permission  
(name of school)
