❖ What is Tuition?

- Tuition is the main source of operational revenue for the school. Tuition allows us to hire and retain the very best teachers, upgrade and maintain our beautiful campus, and sustain our small class sizes to deliver an educational experience in a place where students are known, cared for, and supported to thrive.
- Tuition increases are necessary to ensure that we have adequate resources to keep pace with the forecasted increase in operational costs. The most significant of these costs is providing competitive salaries and benefits for our faculty.

Grade	Fees 2022-2023
PreK Half Day	\$850
Pre-Kindergarten	\$1,125
Kindergarten	\$2,270
Grades 1-5	\$2,300
Grades 6-8	\$2,400

❖ What are fees?

- Fees allow Montgomery to provide the services and experiences that make our school extraordinary. They cover everything from our dining services and daily snacks to annually refreshed supplies like books, technology, art supplies, musical instruments, and snacks, as well as all-day field trips (except Middle School spring trips).
- Fees are adjusted based on aggregate material expenditures which affect the day to day experiences of students. Montgomery continues to invest additional funds in health and safety supplies and essential resources.

Registration fees, which are creditable toward the tuition and fees shown above, and payment plan fees are as described in the [information](#) & [disclosure](#) sheets for our new tuition management system (FACTS).
