## **Regional School District 17**

### **Mission Statement**

**The Mission of Regional School District 17 is to engage students in an educational community that challenges them with high standards and builds their capacity for success and their aspiration to improve themselves and their society.**

<b>Student Achievement</b>	Support the elevation of the continuous improvement process to the strategic level to ensure student achievement and to graduate students who can fulfill their aspirations and contribute to an ever changing society.
<b>Excellence in Teaching</b>	Support the professional development, work environment and performance accountabilities that enhance teacher excellence.
<b>Student Health and Wellness</b>	Support, consider alternatives and/or the introduction of programs that promote student wellness and healthy behavior which positively impact access to education and the experience of students and staff.
<b>Sustainability</b>	Invest in strategies which will improve student learning, decrease achievement gaps, while containing or reducing such costs.

# RSD17 Strategic Priorities to Fulfill the District's Mission

## Regional School District 17 Vision of the Graduate

*A graduate of the RSD17 School District is a compassionate critical thinker,  
who collaborates to solve problems, and is prepared to contribute to improving our world.*

## Vision of the Graduate - Skills

**Contribute Productively** includes the ability to:

- Take control of one's learning by planning and organizing oneself to complete tasks
- Demonstrate independence and initiative in doing one's best work
- Collaborate positively on a team project or shared endeavor
- Seek leadership or take a supportive role within a group in a manner that works best for oneself, others, and the outcome
- Think creatively and flexibly to design and develop innovative solutions, strategies, and outcomes

**Think Critically** includes the ability to:

- Inquire and formulate questions to gather information and expand upon ideas
- Research and distill information from reliable resources representative of multiple perspectives
- Evaluate information for credibility, bias, and point of view
- Analyze and interpret information and data to generate solutions to problems
- Reflect upon the accuracy or viability of solutions or conclusions

**Communicate Effectively** includes the ability to:

- Organize thoughts to articulate and justify one's position or perspective with clarity
- Construct, refine, and present arguments supported by evidence

## AT A GLANCE

The Superintendent's Proposed Gross Operating Expense Budget for fiscal year 2022-2023 is \$44,688,738.31, a gross increase of \$1,939,689.12 or 4.54%. The Superintendent's Proposed Gross Operating Revenue Budget for fiscal year 2022-2023 is \$1,180,518.32, a gross decrease of \$85,337.63 or (6.74)%. The Net Budget Increase (Budget Expense less Budget Revenue) is \$2,025,026.75 or 4.88%. Factoring in estimated fund balance being returned to member towns of \$~600,000 and the estimated Self Insurance Fund Balance of 1,747,292.51, Net Town Assessments increase by \$607,418.23, or 1.5%.

### **EXPENSE BUDGET**

#### **Salaries**

The Proposed Expense Budget 2022-2023 totals \$23,211,407.63 in salaries an increase of \$1,005,043.18 over the 2022-2023 Budget. Salaries account for 51.9% of the total proposed budget.

#### **Benefits**

The benefit categories include; health insurance, workers' compensation, accrued sick and severance payments, unemployment, employer share of Social Security and Medicare and other related benefit lines, object series 200. Benefits account for 17.49% of the total budget or \$7,818,124.28, an increase of \$542,360.54.

On July 1, 2018, the district switched from a self-insured health insurance plan and joined the State of CT Partnership Plan for health insurance, a fully insured program. The 2022-2023 health insurance assumptions regarding claims cost increases of 8.0%.

Since all of the financial obligations have been met associated with the Early Retirement Incentive offered in 2014, there is no allocation for Accrued Sick Leave.

#### **Professional Development**

There is a professional development allocation for certified teaching staff of \$120 per FTE at each building. This \$120 per FTE allocation has remained constant since the 2012-2013 fiscal year.

#### **Tuition**

The Tuition costs for both Public and Non-Public Tuitions are anticipated to increase by \$113,375.25 for 2022-2023 based on known student needs at this time. This represents 3.66% of the overall budget.

#### **Instructional Supplies & Other Supplies**

The amount allocated for Instructional Supplies is calculated on a per pupil basis. The per pupil allocation for the Elementary, Intermediate and Middle School levels is \$107.20 per pupil. The High School allocation is \$175.17 per pupil.

The allocation for Other Supplies at the Elementary, Intermediate and Middle School is \$18.60 per pupil. The High School allocation is \$57.84 per pupil for Other Supplies.

How is student enrollment counted for the Instructional and Other Supply formula? The Per Pupil allocations are calculated using the 10/1/21 enrollment figures.

### **Textbooks & Library Books**

For the ninth year in a row, the District is investing in classroom-leveled libraries.

The budget also contains books to support a high school History, Psychology, Criminal Justice, Decodable Books, Read Aloud texts, Diversity Read Aloud texts, iReady and other costs associated with the curriculum.

The Proposed Budget 2022-2023 budget contains a total allocation for Library Books district wide of \$18,675.00.

### **Fuel**

In the Proposed Budget 2022-2023, we have budgeted \$4.00 per gallon for Oil and Gasoline. Diesel is budgeted at \$3.20 per gallon.

How does the District purchase fuel? The District will continue to purchase #2 heating oil and ultra-low sulfur diesel fuel through the State of CT Contract using the daily New Haven Harbor rate.

### **Technology**

The District continues its annual investment in technology through a four year financing arrangement. The allotment for the 2022-2023 technology investment is \$50,000. The financing will focus on replacing aging equipment and upgrading our current technology.

### **Capital**

The 2022-2023 Proposed Budget contains a one percent (1%) allocation into the Capital Account, Fund 06. The Director of Operations maintains a capital improvement plan and works in conjunction with the Facilities Sub Committee to address the capital needs of the District based on priority.

Why does the District have a Capital Fund and what is it used for?

Regional school districts may establish reserve funds for capital expenses per. Conn Gen. Stat 10-51(d).

The Capital Fund is used to plan and pay for Capital expenditures as identified through the Capital Improvement Plan and approved by the Board of Education. The Capital Improvement Plan identifies and prioritizes projects over multiple year periods.

What is a Capital Expenditure? A capital expenditure represents an investment in the District through a purchase, upgrade, or improvement to a long-term asset.

Not all expenditures are capital in nature. Repair and maintenance expenses keep the property in efficient operating condition over its probable useful life. Capital expenditures, in contrast, are for replacements, alterations, improvements, or additions that significantly prolong the life of the property, materially increase its value, or make it adaptable to a different use.

### **Debt**

The District holds outstanding bonds used to finance the construction of the Haddam Killingworth Middle School located on Route 81 in Killingworth. The 2022-2023 Budget contains a total of \$860,000 for principal and \$25,762.50 for interest payments, a combined decrease of \$(71,037.50) over the current year. Bond payments for the construction of the Haddam Killingworth Middle School will end in the 2023-2024 fiscal year.

The District holds outstanding bonds used to finance the construction upgrades of the Haddam Killingworth High School located on Little City Road in Higganum. The 2022-2023 Budget contains a total of \$725,000 for principal and \$272,875 for interest payments, a combined decrease of (\$36,250) over the current year.

When combined, principal and interest payments decrease by \$(107,287.50), which includes \$298,637.50 of Bond Premium being used toward payments.

### **REVENUE BUDGET**

#### **Special Education Excess Cost**

Special Education Excess Cost Revenue decreased by \$80,637.63 and (7.27)% of the Gross Revenue Budget. The Revenue projected for Special Education Excess Cost uses a 70% reimbursement from the State of CT for any expense above four point five (4.5) times per pupil cost.

What is the Special Education Excess Cost Grant (ECG)?

The Special Education Excess Cost Grant (ECG) provides state support for special education placements and selected regular education placements. The initial threshold for which a student is eligible for the Excess Cost grant is referred to as the "basic contribution". For placements initiated by a state agency (e.g., the Department of Children and Families), the basic contribution (or local share) is equal to the prior year's Net Current Expenditures per Pupil (NCEP). For local placements or students educated within the district, the basic contribution is equal to the prior year's NCEP x 4.5.

The Excess Cost grant is calculated twice during the year: February and May. For the February calculation, the prior year's Net Current Expenditure NCE and Average Daily Membership ADM are still unaudited. This audited information is updated for the May calculation. The Net Current Expenditures per Pupil are calculated by dividing Regional School District 17's NCE by their ADM.

**THE 2022-2023  
SUPERINTENDENT'S PROPOSED BUDGET**

## Understanding the Account Numbers

Knowing how to read the account numbers in the budget is essential to understanding it.

Financial data we provide is used in the district, locally, at the state level and at the federal level to make decisions that affect:

- The Budget
- State and Federal Grants
- Programs
- Target Areas for Improvement
- Fiscal Inequalities
- Administrative Efficiency
- Mandated Reporting

The account numbers are set up to reflect the **Financial Accounting for State and Local School Systems Guide** which is produced by the U.S. Department of Education. The guide represents a national set of standards for all schools to follow, ensures educational fiscal data is reported comprehensively and uniformly across the United States and ensures standardization which is critical for comparison.

All account numbers follow this setup in our financial software:

Fund-Program-Object-Location-Description-Type

Example;

*01-01109-111-205-000-5, Teacher, Math Salary, High School*

Fund – 01, General Fund

Program – 01109, “Math”

Object - 111, Certified Salary

Location – 205, High School

Description – 000, Regular Education

Type – 5, Expense

*01-02901-611-203-550-5, Instructional Supply, Athletics, Middle School*

Fund – 01, General Fund

Program – 02901, “Student Activity”

Object – 611, Instructional Supply

Location - 203, Middle School

Description – 550, Athletics

Type – 5, Expense

*01-02225-695-606-655-5, Emergency Alert Service Software*

Fund – 01, General Fund

Program – 02225, “Information Technology”

Object – 695, Software

Location – 606, District wide

Description – 655, Emergency Alert

Type – 5, Expense

The coding in account numbers provides the basis for all of our financial data. This data is used to make decisions in the district, at the local level, the state level and the federal level.

## 600

**600\* Supplies.** Amounts paid for items that are consumed, are worn out or have deteriorated through use. Supplies are also items that lose their identity through fabrication or incorporation into different or more complex units or substances.

The following criteria should be used to determine whether an item is a supply or can be classified as equipment/furniture/fixture. If the item **does not** meet all of the criteria listed below, **the item should be considered a supply**. Does it maintain its original shape, appearance and character with use?

- Is the item valuable, over \$500?
- Can the item lose its identity through fabrication or incorporation into a different or more complex unit or substance?
- Is the item non-expendable; that is, if the item is damaged or some of its parts are lost or worn out, is it more feasible to repair the item than to replace it with an entirely new unit?
- Under normal conditions of use, including reasonable care and maintenance, can the item be expected to serve its principal purpose for more than one year?

*Example - a stapler and a wastebasket maintain their original shape and character with use, however, they are not valuable, and even though they are expected to be used for more than one year, they would be replaced rather than repaired. Since the stapler and wastebasket do not meet all of the above criteria, they should be classified as a supply.*
