

Alexandra Thomas Memorial Scholarship

The Alexandra Thomas Memorial Scholarship was created in the hope that Alex's influence may live on in the lives of those who share her unique abilities and perspective. **Alex was a 2007 graduate of Northridge High and was the recipient of the Utah State Sterling Scholar Award in Social Sciences that year.** She was passionate about education and took every opportunity to acquire knowledge and understanding. She could grasp complex subjects with apparent ease. She loved history and literature and could often be found enjoying a thick Russian novel. She was a liberal to the core and reeled from the injustice she saw in the past as well as the present. Her heroes included Martin Luther King Jr., Nelson Mandela, and Noam Chomsky.

The scholarship recipient must share Alex's thirst for knowledge and passion for justice. We are looking for an exceptional individual who doesn't necessarily play by the rules. You are invited to help carry Alex's legacy forward. If you are up to the task, we want to help by awarding you the Alexandra Thomas Memorial Scholarship.
