2022 MDE Family Art Night

We had our 2022 *Family Art Night* on January 27th in the school cafeteria. It was a fun evening with many arts and crafts for every age. Students and families shared their creativity and learned new skills in printmaking, bubble painting, marble painting, model-magic clay, and many more! Thanks for all parent volunteers who helped with setting up, cleaning up, and managing the stations to make this event a huge success!

The Young at Art

The Exhibition *Young at Art: A Selection of Caldecott Book Illustrations* are currently on display at the Altharetta Yeargin Art Museum. The exhibition includes original illustrations from Caldecott Medal recipients and from “runner-up” Honor books, as well as other illustrations by award-winning artists.

A group of 3rd grade MDE students worked on a collaborative painting which was inspired by The 2021 Caldecott Medal Winner book titled “We are the Water Protectors”, illustrated by Michaela Goade and written by Carole Lindstrom.

The painting is based on the story and the books’ picture illustrations were our inspiration for the color palette we decided to choose. The painting will be on display until March 8th, 2022 at the Altharetta Yeargin Art Museum during the Caldecott exhibit.
