F.A.Q.

How does Team Selection Work?

All participants attend team selection night if they have not participated in the division they are joining this year. Each participant will be evaluated based on skill level. After a brief skill evaluation, team coaches will meet in order to "draft" players. The idea is create a fair distribution of talent between teams. All registrants will be assigned to a team, there are no "cuts."

Why can't I change my child's team?

Rosters will be finalized following team placement and cannot be changed. All teams will carry a maximum of 12 participants and there will be no teams to switch them to. Team placement is also designed to allow for a competitive balance. Switching of players has in the past, lead to teams gaining an unfair advantage. This as a whole ends up being detrimental to the league. If you realize you have a conflict after you have already registered, please contact the recreation department before the start of the regular season. Any requests to move after the beginning of the regular season will not be considered.

Another team seems "stacked" with stronger players.

As in any sport some teams will ultimately end up being better than others. While we make as many attempts as possible to gain some parity, it is not uncommon to have teams go undefeated while other teams struggle. We do not "stack" teams with better players, we hold a draft similar to the NBA's college draft. This is typically the most efficient way to achieve parity, however due to a number of intangibles (player improvement, coaches ability, etc.) the parity we try to achieve may not be reflected in the final standings.

Why are practices so late?

We have a limited amount of gym space and availability in the winter. Gym space needs to be distributed among our 16 teams and although we typically get about 5 of the school gyms, we are only able to use those gyms 1-3 times a week. School gyms also are used for other programs in New Britain which furthers pushes back the start times for practices. In addition, we do try to reserve the earlier start times for our younger players.

My child seems more advanced than the other players in the division. Can they play in an older division?

We do not allow children to play "up". This is a recreational league, and children prefer to play with their peers and friends in their own grade. Children in younger grades also run a much higher risk of getting hurt playing with children in higher grades. For these reasons we do not allow children to play "up" regardless of skill level.

Why was my child placed on the waiting list?

If your child is placed on a waitlist it is because the registration deadline has past or the maximum amount of participants on each team have been met. Only if a current player cannot participate will we accept the application. In the past, teams have ended up with a large number of players while another team would lose players over the course of the season and end up with very few players. Not only does this cause us to lose a competitive balance among the teams, it also results in some kids getting significantly less play time than others. For these reasons we do need to put children on waitlists.

Fair Housing

What is Fair Housing?

Fair Housing gives the right for people to own, sell, purchase, or rent safe, decent housing of their choice without fear of discrimination. State and federal fair housing laws prohibit discrimination and require that all people have an equal opportunity to housing of their choice.

What does the Fair Housing Law do?

Fair Housing laws are intended to allow everyone equal access to housing and makes it illegal to discriminate against anyone based on race or color, national origin, religion, sex, marital status, age, familial status, disability, lawful source of income, gender identity or expression, and veteran status

Fair Housing Tips...

PROTECT your belongings with renters insurance!

REPORT repairs needed/environmental health concerns to landlord in writing immediately! Pay your rent on time- even if apartment needs repairs!

OBTAIN rent/security deposit receipts when you pay.

MAINTAIN for your record, even if you move! Rent cannot be increased until lease expires!

If YOU suspect discrimination in housing, Call the New Britain Community Services Fair Housing Program (860) 826-3366

New Britain Recovers

Our Mission:

Through community level interactions, New Britain Recovers connects individuals in a stigma free manner to resources with care, concern, and compassion.

Our initiatives include:

Opioid Task Force

Communities across the nation are in the midst of an opioid overdose epidemic. More than 130 Americans die every day from an opioid overdose. Connecticut is among the top ten states for opioid overdose death rates, every city and town in our State has been affected.

In an effort to combat this growing public health crisis, Mayor Stewart has created the City of New Britain Opioid Response Task Force. This partnership is a multi-sector group of municipal agencies, community organizations, service providers and individuals that meet regularly to coordinate efforts and interventions in response to the opioid epidemic.

Building Hope Together

Building Hope Together is continuing and expanding under the New Britain Recovers umbrella as envisioned by Mayor Erin Stewart. By working in partnership with the City's Opioid Task Force and Youth Prevention initiatives, Building Hope Together will be better equipped to serve those seeking to avoid or overcome homelessness.

Local Prevention Council

New Britain's Local Prevention Council works to promote wellness through education, advocacy, collaboration and implementing strategies to ensure all youth are prepared to be positive contributing community members.
