Dear Parent/Carer,

Inspirational Speaker 'Hezron Brown' – Friday 25th March 2022

I am pleased to inform you that your child is able to attend a presentation delivered by motivational speaker, Herzon Brown. Herzon will be in school on Friday 25th March, he is a reformed gang member, turned motivational speaker, entrepreneur and multi award winner. He now uses his time to educate young people all over the country about the realities of gang culture and struggles life can bring.

When Herzon was 5 years old a horrific accident left him scarred for life, this led to bullying which in turn created issues with anger. After difficulties controlling his temper, he was kicked out of his home and spent the majority of his school life homeless. Without someone to guide him in the right direction he slowly transitioned into gang culture where he led a life of crime.

When facing a potential prison sentence Herzon decided he needed to change. Investing in himself he gained skills and got involved with the Prince's Trust where he became an ambassador and won the ambassador of the year award. Since then he has won multiple awards for his work and featured in newspapers and interviews all across the country and has also been crowned the Pride of Britain, Young Achiever of the year.

Should your child not wish to take part in this event please email Miss Harwood on harwood.c@welearn365.com.

We hope that this is both an enjoyable and educational session for students.

Yours sincerely,

Miss Harwood
