

March 2022

Dear Parent,

Attached you will find a copy of the State of Texas 2020–21 School Report Card for Crandall High School. This report is required by the Texas Legislature and prepared by the Texas Education Agency. It is to be sent to the parent or guardian of every child enrolled in a Texas public school. The report provides information concerning student performance on the State of Texas Assessments of Academic Readiness (STAAR®), as well as information on student enrollment, class size averages, and financial expenditures.

The information contained in the School Report Card is required by state law and is briefly described in the enclosed “2020–21 School Report Card Definitions.” The report for our school may or may not have all the information described because the information presented depends on whether the school is an elementary, middle, or high school.

State law requires that the School Report Card display information about the state, the district, and the school. Where possible, the information must be reported by race/ethnicity and socioeconomic status of the students and must include at least two years of results.

The School Report Cards can be found online at [https://tea.texas.gov/Student Testing and Accountability/Accountability/State Accountability/Performance Reporting/School Report Cards](https://tea.texas.gov/Student_Testing_and_Accountability/Accountability/State_Accountability/Performance_Reporting/School_Report_Cards).

A more complete report about Crandall High School, the Texas Academic Performance Report (TAPR), is available by contacting my office or can be accessed online at <https://rptsvr1.tea.texas.gov/perfreport/tapr/index.html>.

Please contact me if you have any questions concerning this report card. Thank you for your continued support of Crandall High School

Sincerely,

Christy Starrett, Interim Principal

Estimado Padre de Familia:

Adjunto a esta carta encontrará una copia del reporte de las Calificaciones Escolares del Estado de Texas 2020–21 para Crandall High School. Estas Calificaciones Escolares son requeridas por la Legislatura del Estado de Texas y preparadas por el departamento de educación estatal. Este reporte debe ser mandado a los padres o al guardián/mentor de cada estudiante inscrito en una escuela pública. Estas calificaciones ofrecen información concerniente al progreso académico de los estudiantes y también información sobre el número de inscripciones estudiantiles, tamaño promedio del salón escolar, y gastos escolares.

La ley estatal requiere que la información en estas calificaciones sea diseminada. Usted encontrará una breve descripción en el adjunto “Definiciones de las Calificaciones Escolares 2020–21.” El reporte que ha recibido puede *o no* contener toda la información descrita en estas definiciones pues el reportaje de estos datos depende de si la escuela es una primaria, secundaria o preparatoria.

La ley estatal también requiere que la información sea provista a nivel del estado, del distrito escolar, y de nuestra escuela. Esta información debe ser reportada, en tanto sea posible, por grupo étnico/raza y estatus socioeconómico de los estudiantes y debe de incluir por lo menos dos años de resultados.

También puede encontrar estas calificaciones (*boleta de calificaciones de la escuela*) en el internet bajo

https://tea.texas.gov/Student_Testing_and_Accountability/Accountability/State_Accountability/Performance_Reporting/School_Report_Cards.

Usted puede obtener un reporte más completo sobre nuestra escuela *Crandall High School* en el informe del Reporte del Desempeño Académico de Texas (TAPR) ya sea que lo pida aquí en la escuela, o lo puede obtener en el internet bajo

2020–21 School Report Card (SRC) Definitions

Due to COVID-19, districts and nearly all campuses received a label of *Not Rated: Declared State of Disaster*. A few campuses were eligible for an alternative evaluation under Senate Bill 1365. These campuses must have received a *D*, *F*, or *Improvement Required* rating for the most recent rating and have had a 95 percent participation rate for assessments in 2021. If the campus met eligibility requirements and received at least a 70 when averaging the 2021 Student Achievement and School Progress, Part B: Relative Performance domain scaled scores, it received an *Acceptable* label.

Annual Dropout Rate: Annual Dropout Rate (Gr 9–12) is reported for high schools only. The annual dropout rate is the number of students who dropped out (in grades 9–12) expressed as a percentage of the number of students in attendance in grades 9–12 at any time during the 2019–20 or 2018–19 school years.

Attendance Rate: The percentage of days that students were present in 2019–20 based on student attendance. The rate for 2019–20 is based on student attendance from the highest 4 six-week attendance rates due to the Covid-19 pandemic. Only students in grades 1–12 are included in the calculation.

Class Size Averages: Class sizes are calculated from teacher class schedules. For example, the total count of students in science is divided by the count of science classes. Elementary classes are shown by grade; secondary classes are shown by subject.

College, Career, and Military Ready: The percentage of annual graduates who demonstrated college, career, or military readiness (CCMR) by meeting at least one of the nine criteria provided in Chapter 2 of the [2021 Accountability Manual](#). Please note, CCMR outcomes for 2018–19 include military enlistment and CTE coherent sequence indicators while 2019–20 outcomes do not.

Distinction Designations: Distinction designations are awarded in recognition of outstanding achievement in specific areas. Distinction designations were not awarded due to COVID-19.

Economically Disadvantaged: The percentage of economically disadvantaged students is the count of students that are eligible for free or reduced-price lunch or other public assistance divided by the total number of students.

Emergent Bilingual/EL: Students whose primary language is other than English and who are in the process of acquiring English.

Expenditures per Student: This is calculated as total expenditures for 2019–20 divided by the total membership for 2019–20. For more information, contact the Office of School Finance at 512-463-9238. For a detailed report, see the 2019–20 PEIMS Financial Actual Reports at <http://tea.texas.gov/financialstandardreports/>.

Federal Graduation Rate (4-Year): This indicator shows the status of students after four years in high school and uses the National Center for Education Statistics (NCES) dropout definition and the federal calculation for graduation rate. For further information, see the report [Secondary School Completion and Dropouts in Texas Public Schools, 2019-20](#).

Instructional Expenditure Ratio: This is calculated as instructional and related expenditures for 2019–20 divided by total expenditures for 2019–20. For more information, contact the Office of School Finance at

2020–21 School Report Card (SRC) Definitions

512-463-9238. For a detailed report, see the 2019-2020 PEIMS Financial Actual Reports at <http://tea.texas.gov/financialstandardreports/>.

Instructional Staff Percent: The percentage of the district's full time employees (FTEs) whose job function was to provide classroom instruction directly to students during the 2019–20 school year. For more information, contact the Office of School Finance at 512-463-9238.

Longitudinal Rates: These indicators show the status of students after four years in high school (4-Year Longitudinal Rate), after five years in high school (5-Year Extended Longitudinal Rate), or after six years in high school (6-year Extended Longitudinal Rate). The four-year rate includes students who first attended ninth grade in 2016–17, showing their final status with the Class of 2020. The five-year rate includes students who first attended ninth grade in 2015–16, showing their final status at the end of 2020. The six-year rate includes students who first attended ninth grade in 2014–15, showing their final status at the end of 2020. These show the percentage of students who graduated, received a Texas Certificate of High School Equivalency (TxCHSE), continued high school, or dropped out.

Membership: See Total Students.

Mobility Rate: The percentage of students who have been in membership at a school for less than 83 percent of the school year (i.e., missed six or more weeks).

Race/Ethnicity: Students are reported as African American, Hispanic, White, American Indian, Asian, Pacific Islander, and two or more races.

RHSP/DAP Graduates: The percentage of graduates who, after four years, were reported as having satisfied the course requirements for the Recommended High School Program (RHSP) or Distinguished Achievement Program (DAP). It excludes FHSP graduates.

RHSP/DAP/FHSP-E/FHSP-DLA Graduates: The percentage of graduates who, after four years, were reported as having satisfied the course requirements for the Recommended High School Program (RHSP), Distinguished Achievement Program (DAP), Foundation High School Program (FHSP) with an endorsement (FHSP-E) or the distinguished level of achievement (FHSP-DLA).

SAT/ACT Results: The report provides three indicators: (1) Tested shows the percentage of 2019–20 and 2018–19 graduates who took either the SAT or the ACT, (2) Average SAT Score for 2018–19 and 2019–20 graduates, and (3) Average ACT Score for 2018–19 and 2019–20 graduates.

Special Education: The population of students served in special education programs.

STAAR: The State of Texas Assessments of Academic Readiness (STAAR®) is a comprehensive testing program for public school students in grades 3–8 or high school courses with end-of-course (EOC) assessments. The STAAR program is designed to measure to what extent a student has learned, understood, and is able to apply the concepts and skills expected at each tested grade level, or after each course for which an EOC assessment exists. Students are assessed in reading (grades 3–8), mathematics (grades 3–8), writing (grades 4 and 7), science (grades 5 and 8), and social studies (grade 8). End-of-course assessments are given for English I and II, Algebra I, Biology, and U.S. History. Measures for the STAAR are shown: STAAR Percent at Approaches Grade Level Standard or Above, Meets Grade Level Standard or Above, and Masters Grade Level.

2020–21 School Report Card (SRC) Definitions

Total Students: This is the total number of public school students who were reported in membership on October 30, 2020, at any grade from early childhood education through grade 12. Membership differs from enrollment because it does not include students who are served by the district for less than two hours per day. For example, the count of Total Students excludes students who attend a non-public school but receive some services, such as speech therapy, for less than two hours per day from their local public school.

Special Symbols: The 2020–21 SRC uses the following special symbols:

- An asterisk (*) is used to mask small numbers to comply with the federal Family Educational Rights and Privacy Act (FERPA).
- A dash (-) indicates there were no observations reported for this group.
- n/a indicates that the data are not available or are not applicable.
- A question mark (?) indicates data that are statistically improbable or were reported outside of a reasonable range.

Definiciones de Boletas de Calificaciones Escolares (SRC) 2020-21

Debido a COVID-19, los distritos y casi todos los campus recibieron una etiqueta de No *Clasificado: Declarado Estado de Desastre*. Algunos campus son elegibles para una evaluación alternativa bajo el Proyecto de Ley del Senado 1365. Estos campus deben haber recibido una calificación *D, F* o *Mejora requerida* para la calificación más reciente y haber tenido una tasa de participación del 95 por ciento para las evaluaciones en 2021. Si el campus cumplió con los requisitos de elegibilidad y recibió al menos un 70 al promediar los puntajes escalados del dominio Logro Estudiantil y Progreso Escolar 2021, Parte B: Rendimiento relativo, recibió una etiqueta *Aceptable*.

Tasa Anual de Deserción Escolar: La tasa anual de deserción escolar (Gr 9-12) se informa solo para las escuelas preparatorias. La tasa anual de deserción escolar es el número de estudiantes que abandonaron la escuela (en los grados 9-12) expresado como un porcentaje del número de estudiantes que asisten a los grados 9-12 en cualquier momento durante el año escolar 2019-20 o 2018-19.

Tasa de Asistencia: El porcentaje de días que los estudiantes estuvieron presentes en 2019-20 según la asistencia de los estudiantes. La tasa para 2019-20 se basa en la asistencia de los estudiantes de las tasas de asistencia más altas de 4 semanas de seis semanas debido a la pandemia de Covid-19. Solo los estudiantes en los grados 1-12 se incluyen en el cálculo.

Promedios de Tamaño de Clase: El tamaño de la clase se calcula a partir de los horarios de clase de los maestros. Por ejemplo, el recuento total de estudiantes en ciencias se divide por el recuento de clases de ciencias. Las clases de primaria se muestran por grado; las clases de secundaria se muestran por materia.

STAAR: Las Evaluaciones de Preparación Académica del Estado de Texas (STAAR®) es un programa de pruebas integral para estudiantes de escuelas públicas en los grados 3-8 o cursos de preparatoria con evaluaciones de fin de curso (EOC). El programa STAAR está diseñado para medir hasta qué punto un estudiante ha aprendido, entendido y es capaz de aplicar los conceptos y habilidades esperados en cada nivel de grado evaluado, o después de cada curso para el que existe una evaluación EOC. Los estudiantes son evaluados en lectura (grados 3-8), matemáticas (grados 3-8), escritura (grados 4 y 7), ciencias (grados 5 y 8) y estudios sociales (grado 8). Las evaluaciones de fin de curso se dan para Inglés I y II, Álgebra I, Biología e Historia de los Estados Unidos.

Se muestran las medidas para el STAAR: Porcentaje de STAAR en el Estándar de Nivel de Grado de Enfoque o Superior, Cumple con el Estándar de Nivel de Grado o Superior y Nivel de Grado de Maestría.

Total de Estudiantes: Este es el número total de estudiantes de escuelas públicas que fueron reportados como miembros el 30 de octubre, 2020, en cualquier grado desde la educación de la primera infancia hasta el grado 12. Por ejemplo, el conteo de Estudiantes Totales excluye a los estudiantes que asisten a una escuela no pública, pero reciben algunos servicios, como la terapia del habla, durante menos de dos horas por día de su escuela pública local.

- Un guión (-) indica que no se informaron observaciones para este grupo.
- n/a indica que los datos no están disponibles o no son aplicables.
- Un signo de interrogación (?) indica datos que son estadísticamente improbables o que se informaron fuera de un rango razonable.
