

Dear Parents and Carers 7.03.22

We will be looking at the text *Bedtime For Monsters* this week as a continuation of our work on beasts! The children will be thinking about the monster's journey, writing captions about the story and talking about a variety of habitats.

In maths we will continue to explore the composition of numbers to 10 as well as re-visiting 3D shapes.

Words of the week

swamp

mountain

disgustingly

thistle

- It was wonderful to see everybody's outfits for World Book Day last week— we all had an exciting time celebrating books and reading.
- We have re-organised our Outdoor Learning groups—thank you to those that have already taken part, this group will no longer need to bring in clothes. Please look out for further information when it is the next group's turn.

Rhyme of the Week

Monster's Here

Phonics

We will be continuing to explore CVCC words where there are 2 consonants together at the end.
Film, gift, limp, list
