Fillable High School Course Agreement

7<sup>th</sup> Grade World Language Course

***\*Only students selecting a full-year High School Level World Language course need to return this form with scheduling card!***

All full-year World Language courses are **high school** level courses that are not required in middle school. Students signing-up for these courses should be motivated, independent, and will be expected to handle a high school level workload. Students successfully completing the Level 1 World Language course in 7<sup>th</sup> grade can then take Level 2 of that language in 8<sup>th</sup> grade. Two consecutive years of the same World Language (2.0 credits) will meet the high school World Language graduation requirement.

Students receive a high school credit for passing this course. **The grade they receive in this course will be on the high school transcript that goes to colleges.** It will not, however, be factored into the high school grade point average (GPA).

***\*Please be aware that once enrolled in a 7<sup>th</sup> grade full-year World Language course, it is not an option to drop the course during the school year.***
