

Hart Middle School 8th Grade Fillable High School Course Agreement

** Only students selecting a full-year World Language course and/or a high school level Math course (Algebra or Geometry) need to sign and return this form*

8th Grade World Language Course

All full-year World Language courses are **high school** level courses that are not required in middle school. Students signing up for these courses should be motivated, independent, and will be expected to handle a high school level workload. Students successfully completing the Level 1 language course in 8th grade can then take Level 2 of that language in 9th grade or high school. Students receive high school credit for passing this course. **The grade they receive in this course will be on the high school transcript that goes to colleges.** It will not, however, be factored into the high school grade point average (GPA). ****Please be aware that once enrolled in an 8th-grade full-year language class, it is not an option to drop the language class during the school year.***

Parent/Guardian Signature: _____ Date: _____

Student Signature: _____ Date: _____

8th Grade High School Math Courses (Algebra and Geometry)

Full-year Algebra and Geometry courses are **high school** level courses. Only students who have completed Algebra are eligible for Geometry. Students signing up for these courses should be motivated, independent, and will be expected to handle a high school-level workload. Students receive high school credit for passing these courses. **Grades received in these courses will be on the high school transcript that goes to colleges.** It will not, however, be factored into the high school grade point average (GPA).

****Please be aware that once enrolled in a high school level math course, it is not an option to drop the course during the school year.***
