On May 6, 2014, voters of the Cupertino Union School District approved Measure A, renewing and consolidating the Measure B and C parcel taxes. Measure A maintains the same rate previously approved by both Measure B and C. Measure A is an eight-year parcel tax of $250 per year, effective July 1, 2015 and expiring June 30, 2023, and continues to offer the same exemptions as previous measures.

A parcel is defined as any unit of land in the District that receives a tax bill from the Santa Clara County Tax Collector’s Office. Additional information regarding the oversight committee and the parcel tax measure is available at: www.cusdk8.org.
One element of the voter approved parcel tax measure is the formation of an independent citizens’ oversight committee. The purpose of this committee is to provide oversight and accountability to ensure funds collected from the parcel tax are spent in a manner consistent with the provisions of the voter approved measure. The committee meets annually to certify the District’s expenditures.

The Cupertino Union School District Board of Education has set the composition of the Citizens’ Parcel Tax Oversight Committee as follows:
