Happy March, everyone!

Something about the extended daylight of March that gets us all ready for Spring! We “Spring forward” with our clocks (March 20th and we all feel happy anticipation of springtime and longer days of sunshine. Let’s just say- we are ready for the 3rd quarter break too!

This month we will meet all of our families (on Zoom) for Family/Teacher conferences on Thursday the 17th. Our teachers will be able to review and celebrate the hard work that has been done throughout this remarkable year. March is also a time to reflect and plan the goals that each student will need to end this year, knowing that they have done their best and are ready for the next steps needed for advancement to the next grade level.

The Academy is also very busy choosing our new incoming 6th grade class of 2029! Special “Thank you” to our FSA families who recommended our school to their families and friends! We are thrilled to have over 70 applicants and we are certain that we will find a new cohort that will bring positive energy and excitement to our campus. # PLUSS VERB OF THE MONTH

LOVE • **UNITE** • PERSIST • SERVE • SEEK • LEAD

During Women's History Month, we celebrate and honor generations of women who have pioneered the pursuit of equal civil rights and have shaped our core values. Progress throughout history was and is not possible without a **united** people, for it is in **unity** that we find strength, support, and harmony.

In accordance with this month's theme of unity, we asked some faculty and staff where they have seen or felt **united** within the FSA community.

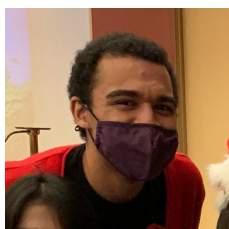

"When we faced the beginning of COVID-19 pandemic, I felt very scared, at the same time, I felt the **unity** from my family, friends, and everyone else."

— Ms. Robles

"This month, I have noticed students breaking out from only talking to their classmates to helping students from different grade levels. From eighth graders helping sixth graders on a project that they remembered from 2 years ago to sixth, seventh, and eighth graders cleaning the DASH room together at the end of lunch DASH, our FSA students are working on making our school a real **community**."

— Mr. Geraghty

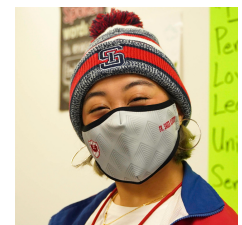

"In our musical theatre elective, we've been talking about building "ensemble," which means together in French. I've seen students begin building that ensemble, that **unity** together. Playing games, trying new, wacky things, and supporting each other—it has been such a joy to watch!"

— Mr. Nickelson

"At the Class Olympics, I saw and heard students who cheer on for those who participated in events, regardless if they were on the same team or not. It was lovely to see everyone **united** in the spirit of friendly competition."

— Ms. Del Corro
