

NOTAM Class 03062022
Raisbeck Aviation High School
Weekly Student Announcements
March 6, 2022

Principal's Phoenix Flyers:

What's Happening This Week:

March 11 – **NO School**

Greetings RAHS Families and Community -

My apologies to our students. In last week's NOTAM I inadvertently left off two of our stellar students who are a part of the Highline High School band – **Cade Scheff and Eileen Thach**. Cade and Eileen we are proud of you and your dedication!

We have some alumni in the news! **Grant Matthews**, Class of 2019, is working at a Software Engineering Co-Op with Collins Aerospace in Cedar Rapids IA. He is working on Test & Training Instrumentation for military aircraft! And **Anna Horner**, also Class of 2019, is currently completing her flight training out of S43/ Harvey Field with Snohomish Flight Service. She is also a full-time student at the University of Washington and is studying Spanish and Biology! She will begin a position with Kenmore Air this summer in Customer Service – look for Anna to take to the skies with her commercial license in the near future! We are always very proud of our alumni!

Upcoming Events:

Mark Your Calendar for our Upcoming Mentor Events:

March 15 – Pilots

March 16 – Engineers

March 17 – Business

All events will be in our BPC

During the week of March 7 – March 11, we would like to recognize the significant contributions of our Classified Support Staff! These front office and “behind the scenes” personnel really make our school hum! A HUGE thank you to Attendance **Theda Hiranaka**, Office Manager **Trish McGuire**, Registrar **Debi Tranholt**, Bookkeeper **Margo Keithly**, Custodians **Sophall Im and Bruce Mullis**, Cafeteria Manager **Shannon Hanson**, Nurse **Jessica Swart**, Technology **Anthony McLaughlin**, Paraeducator **Sam Clements**, and our awesome **bus drivers**. We appreciate the contributions you make to RAHS every day!

Don't forget, there is no school this Friday, March 11. Have a wonderful week.

Therese Tipton

Students and Staff – This is a reminder about our newly formed RAHS Student Tech Team and how to inquire about help. Our tech team is group of students who are “on call” and will help with any questions or problems regarding technology. To request help fill out the service ticket: <https://tinyurl.com/RAHS-Tech-Team>

Seniors - SAVE THE DATE! Grad Night at the PRO Club in Bellevue, **June 9th**, from 9:45pm to 4:30 am. More details to follow. Please mark your calendars, you don’t want to miss the fun!

Students - New Academic Help Resource: Check out our new Teacher Support Calendar to see teacher availability before school, at lunch, and after school. <https://tinyurl.com/rahs-support>. Get help with homework, study skills, quiz prep, projects - appointments strongly recommended.

Students - RAHS Activity Bus - The after school activity bus will continue to run Tuesday-Thursday for the rest of the school year, picking up at RAHS at 5:00 and dropping off throughout Highline district boundaries – stick around to check in with teachers, work with project teams, or form study groups. Study help is available in the cafeteria too!

Students – Homework help is available every day during lunch in Mr. Gudor’s room with Ms. Clem. This is an incredible resource for getting help with assignments, test prep, study skills and more – no appointment necessary. Phoenix Scholar Society is offering **volunteer hours for peer tutoring** during lunch. Stop by to talk to Ms. Clem!

Students - Community Service Hours: Blank forms for logging hours, and a drop box for completed forms, are in the career center. Stop by any time and look for them on the bookshelf. You can also find the electronic form [here](#).

Students - PE Contract **RED ALERT!** As the COVID pandemic winds down, we will soon revert back to the previous, stricter rules for contracts established by Washington State. Now is the time to start your contract while the looser, easier rules still apply! Go to <https://hsd.instructure.com/enroll/H4ENP3> or see Mr. Sav for help.

Freshman, sophomores and juniors - Are you interested in attending Embry-Riddle Aeronautical University (ERAU) in the future? If so, ERAU is again offering the opportunity for eight students to visit this summer, all expenses paid—air travel, lodging in the dorms, and meals. **This is a three-day trip, August 1-3.** You will have the opportunity to fly in one of ERAU's airplanes, visit classes, and learn more about the various degree programs that ERAU has to offer. To apply, submit an essay to Ms. Carper in which you explain your specific interests in both visiting and attending ERAU in the future—planned major and degree you hope to earn, goals for career, aspects of their university that interest you. **Due date for essay: Thursday, March 10 by 4:00 PM to Ms. Carper.**

Students University of Washington Society of Hispanic Professional Engineers (SHPE) is hosting **Future Meets Present**, an event hosting First-gen, low income, or anyone from an underrepresented background who wants to pursue STEM-related majors in college. Participate in hands-on workshops, question panels, and explore local science and technology industries. This year, Future Meets Present will be hosted on **Saturday, April 23, 2022** at the **University of Washington starting at 10:00AM** and is **completely free** for anyone who participates. Google Form to sign up: <https://forms.gle/7xYerv55s8V2xPvf9> **Deadline to sign up: April 3rd**

Juniors: Purdue is sponsoring two RAHS students who are highly capable and passionate about aerospace and aeronautical engineering to attend STEP (Seminar for Top Engineering Prospects) Camp from **July 24-July 30**. Students will learn about the impacts of engineering as they work alongside college students and honors college professors. To qualify for this incredible, all-expenses-paid experience, please write a minimum 500-word essay in which you (1) share your passion and goals for pursuing a college and career pathway in engineering, emphasizing why Purdue Engineering is on your list of possible college choices; (2) highlight classes and experiences that you have already had or are planning to have, that will give you an exceptional foundation for advanced engineering studies; (3) explain what the Purdue experience would mean for you, and what specifically you would like to engage in and learn while there; and (4) add additional information that you believe may enhance your application.

DUE DATE: Thursday, March 10th by 4:00 PM to Ms. Carper

The **University of North Dakota's** International Aerospace Camp is a full week of aviation and adventure that will be offered **July 10-15** in Grand Forks, North Dakota, through the highly regarded John. D. Odegard School of Aerospace Sciences. This "college seminar" is similar to attending a week of actual college. Additionally, what makes this seminar unique is the amount of **flight training** each student receives. UND is sponsoring this opportunity for **two RAHS students who will be 16 by the time camp starts** and truly want to experience collegiate aviation. Counselors, flight instructors and professors are all leaders in aerospace education. Instruction will start with the basics of flying (which some of you may already know, but a refresher will be a good thing!) and progress to experiencing new and exciting technologies, and exploration of career opportunities in flight, air traffic control, aviation management, and unmanned aircraft systems(UAS). A passion for flight is a must for this particular camp, along with interest in attending UND in the future. To be considered for the UND camp, first read more about UND Aviation at <http://www.aviation.und.edu/currentStudents/AEROCAMP/Default.aspx>. Then do the following: Write an essay of a minimum of 500 words and address: (1) your passion for flight and aviation, along with your goals for pursuing a college and career pathway in aviation as a pilot, air traffic controller, aviation manager, or in the field of unmanned aircraft systems; (2) the experiences you have had related to your goals and the classes you have taken, or will take, that are preparing you for your future; (3) why you are interested in potentially attending UND in the future; and (4) anything further that you believe may enhance your application.

DUE DATE: Thursday, March 10 by 4:00PM to Ms. Carper.
