Parent/Guardian Opt-Out Request

Dear Parent or Guardian,

Lady's Island Elementary provides a comprehensive, developmental school counseling program that addresses the academic, career and personal/social development of all students. School counselors are professional advocates who provide support to maximize student potential and academic achievement. In partnership with other educators, parents or guardians and the community, school counselors facilitate the support system to ensure all students at Lady's Island Elementary have access to and are prepared with the knowledge and skills to contribute at the highest level as productive members of society.

Complete and return this form if you DO NOT want your child to participate in small group counseling. Opt-out requests will not transfer from school to school.

*Small group topics include but are not limited to: anger management, friendship, grief, social skills, changing families, organization, anxiety, and deployment.

* If you choose not to opt out, you will receive communication if your child is chosen for a small group.

I am requesting that my child NOT participate in small group counseling at Lady's Island Elementary School
