Please see above for the Year 11 March Mock Examination timetable which starts on Monday 14th March. These are only those mock exams which will be sat in the Sports Hall under formal invigilation. You may have other such mock exams within your lessons in other subject areas. It is organised by subject, not option block, just as it will be in the Summer. Any students not sitting a paper at a given time should be in their normal timetabled lessons.

If a student misses a paper, the Subject Teacher should arrange a suitable time to re-sit the paper so that mock results are reported for all students. No provision will be made for this centrally given the amount of time already dedicated to mock examinations.

* There are 11 students who study both History and Geography. These students will be communicated with individually in the w/c 7th March and will sit their History paper in one of the two sessions on Tuesday 15th March and their Geography paper on the Wednesday morning. Individual timetables with seat numbers will be distributed at the end of the w/c 7th March.
