# Civil Air Patrol

The Jewel Sumner JROTC Color Guard proudly presented and posted the Colors at the Kentwood High School Black History Month program on February 24th.

Our Cadets built and launched one of their two rockets required to complete stage two for their model rocketry badge. C/1Lt Herrington can be seen leading the cadets and teaching them steps to build their stage two rockets. The stage two rockets were a success! One more rocket to go and then it's off to the third and final stage!

# Civil Air Patrol

The cadets learned how to do different fireman's carry exercises and what situations call for them to be used.

Monday February 28th, was a night of honor and remembrance for two fallen Tangipahoa Sheriff's Deputies. Parts of Highway 16 and US 51 have now been renamed in honor of two slain deputies, R.A. Kent and Ed Toefield Jr. One of our senior members, Captain Alex Reine was asked by Councilman Louis Joseph to attend and play Taps as part of their recognition and honor to these deputies and their families at last Monday night's parish council meeting.

The Darkest Minds #1

When Ruby woke up on her tenth birthday, something about her had changed. Something alarming enough to make her parents lock her in the garage and call the police. Something that gets her sent to Thurmond, a brutal government “rehabilitation camp.” She might have survived the mysterious disease that’s killed most of America’s children, but she and the others have emerged with something far worse: frightening abilities they cannot control.

Now sixteen, Ruby is one of the dangerous ones.

When the truth comes out, Ruby barely escapes Thurmond with her life. Now she’s on the run, desperate to find the one safe haven left for kids like her—East River. She joins a group of kids who escaped their own camp. Liam, their brave leader, is falling hard for Ruby. But no matter how much she aches for him, Ruby can’t risk getting close. Not after what happened to her parents.

When they arrive at East River, nothing is as it seems, least of all its mysterious leader. But there are other forces at work, people who will stop at nothing to use Ruby in their fight against the government. Ruby will be faced with a terrible choice, one that may mean giving up her only chance at a life worth living.

## CREATIVE WRITING

Anxiety

Stealth as a panther  
Creeps up on you like a lion waiting for its prey  
Pounces like a cat  
Yet loud as a roaring tiger  
Strong as a ox  
Weak as a box  
Blinding like a thick fog  
You try to fight it but it's too strong  
Sometimes need a push  
Sometimes need an ally
