

Coachella Valley HS Highlights

It's Great To Be An Arab!

Week of February 21, 2022

A Message From Your Administration

Moving Fast....

Hello CVHS Family! We cannot believe that March is right around the corner already. This is the long stretch of Semester 2 until Spring Break so hang in there. Please continue to encourage your student to work hard, join activities and participate. Arab Pride continues to shine through and it is showing. Thank you all!

REPORTING ABSENCES

Parents now have 2 options in order to report a student absence:

1. Call in to the school Attendance Office: 760-862-1811
2. Use the Report an Absence Link: <https://forms.gle/9AxPsU55k8xqww1U7>

Be sure to include the following information:

- Date of Absence
- Students first and last name
- Date of Birth
- Student ID #
- Grade Level
- Who is calling: mother, father, legal guardian
- Reason for absence

TEACHER FEATURE

Assessments & Technology

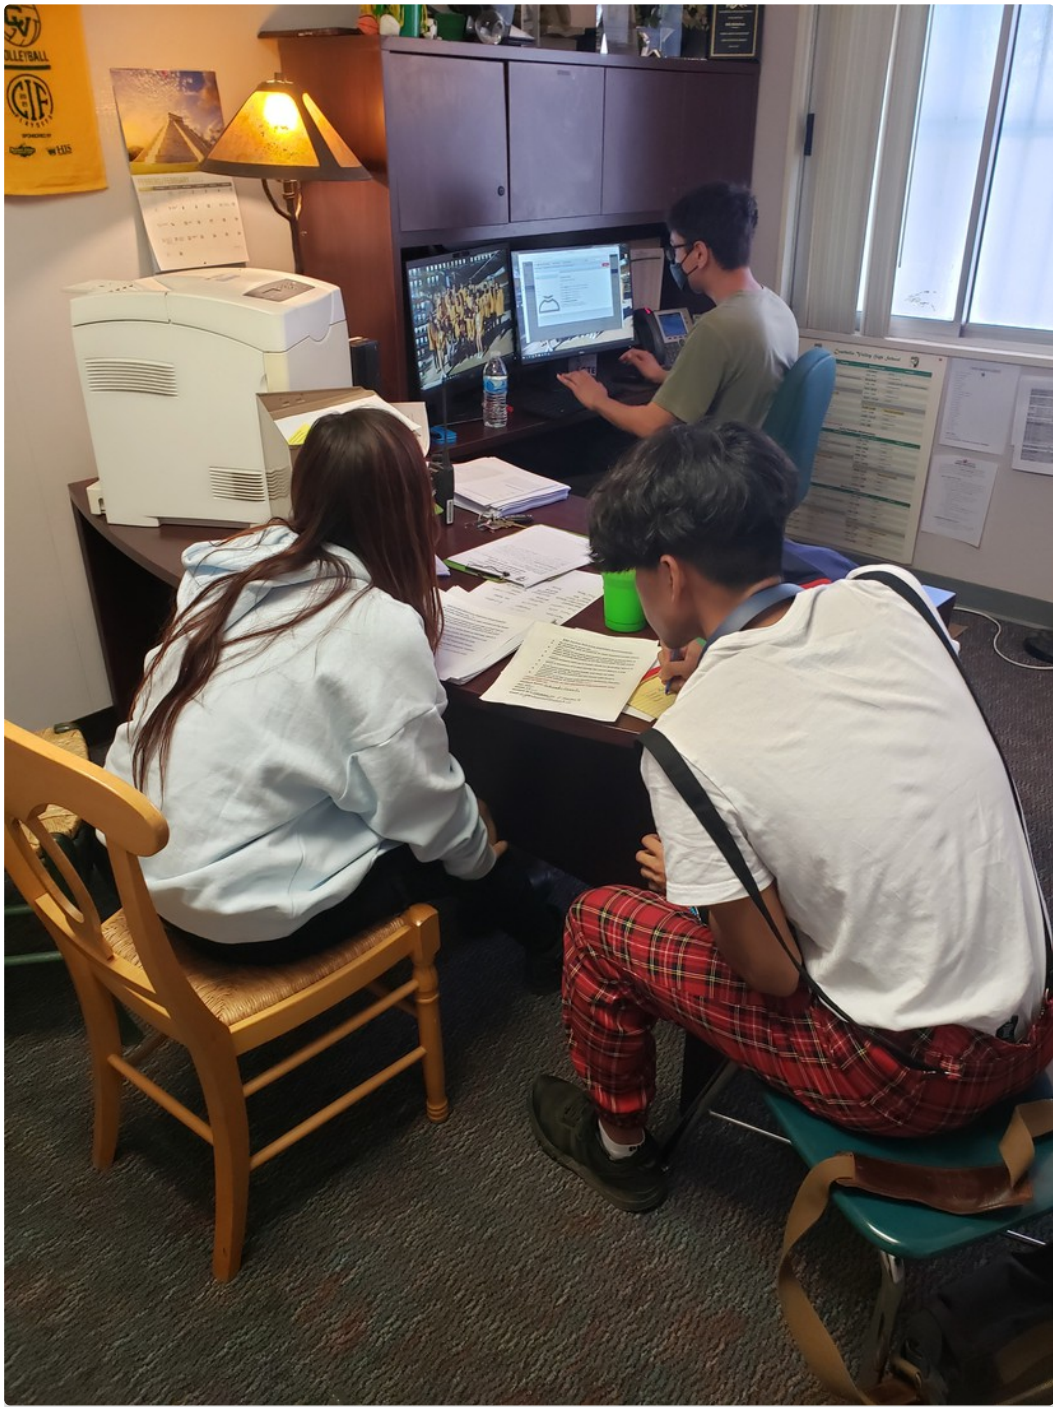

ELPAC

The ELPAC continues all this week. There are 4 Domains to be assessed: Reading, Listening, Writing, Speaking. Please have your student bring their District Assigned iPads, chargers, and headphones/mic, for the testing to be completely successful. Please have them get plenty of rest and nutrition to keep them alert to do their best!

HIGHLIGHT - CTE ACADEMIES AND PATHWAYS

Busy CTE Bees

Mr. Mickelson's CTE Office TA's Angel Torres, Yuliana Leyva, and Ramses Bautista Paredes had a productive week helping organize student recruitment for Desert Town Hall, BNP Tennis Ball Crew, and assisting with Academy/Pathway recruitment. Well Done!

Activists

CTE Student Ambassadors had a busy night on Thursday attending the Desert Town Hall at the Renaissance Esmeralda in Indian Wells and then shooting over to the District Office to present to the School Board on their position on moving to a 7 period school day. Huge thanks to Ms. Penalber for chaperoning both events!

2nd Chances

If any of your students were not successful in any of their classes in the first semester, they may immediately enroll in our after school program to recover those credits before the end of the school year. Have them stop by the ASB or Counseling Office to pick up an application.

Athletics

New Seasons

Spring Season Sports are in full swing Baseball, Softball, Track, Swim, & Boys Tennis. Come on out to watch and support our Mighty Arabs!

In the Classroom

Earthquake!!!!!!

Ms. Park's Geology Class is busy designing, building, and testing earthquake proof structures using a limited supply of materials. The structures go through 2 tests that put them through S & P waves like a real event. Good Building and Good Luck!
