## GPA and Related Procedures

- Grades and credits are posted at the end of each semester. Each semester is worth 5 credits; most FUHSD classes are yearlong (10 credits) and meet for 150 instructional hours.
- Coursework from non-accredited or out-of-country schools are transferred as Pass/Fail.
- GPA is calculated at the end of each semester (A=4; B=3; C=2; D=1; F=0). Final semester grade marks include letter grades only and no +/- scale option.
- Three GPA's are identified on the transcript, all unweighted:
  - Cumulative GPA (all grades 9-12)
  - 9-12 Academic A-G courses grades
  - 10-12 Academic A-G courses grades
- Individual class rank is not reported. The grade distribution chart below shows the number of students in each unweighted, cumulative 9-12 GPA category.

Lynbrook is a comprehensive, 4-year, suburban public school on a modified block schedule, offering a well-rounded educational program to students from West San Jose and a portion of northern Saratoga. The vision of the school is to create a dynamic environment of respect and achievement where all can learn deeply, apply their knowledge and contribute purposefully. The Lynbrook Guidance Program consists of three full-time counselors as well as two part-time College and Career Advisors who engage with students, parents, and staff to deliver a comprehensive guidance program that personalizes the planning and counseling experience based on each student's needs and postsecondary goals.

Due to the extraordinary circumstances resulting from COVID-19 school closures, Fremont Union High School District adopted a district-wide Credit/No Credit structure for Spring 2020. For SY 20-21 courses were taught in a combination of remote and in-person instruction due to COVID-19.
