ETHICS DAY: WOMEN IN SPORTS

The Athletic Department will host an ethics day seminar. We will explore the inequalities between male and female sports in our culture. We will have a speaker (TBD) who will talk about their experience with discrimination, inequalities (pay, gear, travel, etc.), and what they do now to help raise awareness to empower women in sports.

We will also celebrate the national women's soccer team, who settled an equal pay lawsuit for \$24 million.

KENT DENVER'S SPIRIT NIGHT

Both Kent Denver's varsity boys and girls basketball teams faced Colorado Academy on February 9 and the gym's atmosphere was electric! The student section was filled with cheering students dressed in all white. The girls team walked away with a win! Unfortunately, the boys were not as successful.

Kent Denver was featured on 9NEWS Prep Rally:

Amanda Licht '22 was able to score her 1000th point of her career that night and the gym went wild! 9NEWS shared the footage from Amanda's milestone and the girls team's victory at the 3:47 mark: [link here](#)

Kent Denver's spirit is on the rise as we are headed into the spring season! Both boys and girls basketball teams are competing in the state tournament this weekend!
