Subject: Drinking Water Sampling - Mid-Columbia Partnership Results
Attachments: W612114_Final Report_162017.pdf

Keith-

Fulcrum received analytical results for Mid-Columbia Partnership (MCP) from R.J. Lee. Results are attached.

Upon review, no samples were identified with concentrations of lead or copper above the action levels. As such, no further testing is required at Mid-Columbia Partnership.

Please feel free to contact me with any questions.

Thank you,

Amanda Enbysk, Environmental Technician
