

Schedule of Fees 2022-2023

01.08.2022 – 31.07.2023

1. Application Fee per child EUR 500

The Application Fee ensures the processing of the application for admission of a new student or of a student returning after an absence of one year or longer. This fee does not guarantee admission to the school. The Application Fee is due immediately on registration and must be paid in order for the application to be processed. The application process cannot be finished without payment of the Application Fee. The Application Fee is non-refundable.

2. Tuition Fees (August 2022 – July 2023)

The annual Tuition Fee depends on the grade level and is set out as indicated below:

Primary 1	EUR 11.270
Primary 2	EUR 12.140
Primary 3	EUR 13.810
Grades 1-2	EUR 17.660
Grades 3-5	EUR 18.690
Grades 6-8	EUR 20.040
Grades 9-10	EUR 21.130
Grades 11-12	EUR 21.970

The costs of the mandatory overnight and day trips, membership in the ISH Association and one copy of the yearbook per child are included in the annual Tuition Fee.

With the exception of the Early Childhood Centre, school materials such as paper and pencils are not included in the annual Tuition Fee.

3. Sibling Discount

For families with three or more children enrolled at ISH simultaneously, the school will grant the following reductions for the student(s) in the lowest grade level(s): a 10% reduction of the annual Tuition Fee for the third child, a 15% reduction of the annual Tuition Fee for the fourth child and any additional children.

4. Campus Development Fee

Year 1 at ISH	EUR 5.500
Year 2 at ISH	EUR 2.000

This is a non-refundable fee payable over two years, which is intended for the improvement and enhancement of the school. For students returning after an absence of one year or longer, all prior payments are credited to this total. However, departing students who have attended the school for two months or less in the school year of their departure pay only half the Campus Development Fee levied in that school year.

5. Other Charges

During the school year, additional expenditures may be incurred. Charges e.g. for college testing, external testing and (IB) examinations, non-mandatory school, day and sport trips, graduation expenses, swimming and other extra-curricular programmes will be charged separately for those participating. Lost books belonging to the school will be invoiced according to the current replacement value of the lost book, including a handling fee of EUR 10 per book not returned. The school bus fee will be determined according to the number of students riding the bus.

The fees for self-taught and mother tongue language courses, school photos, and hot lunches will be invoiced by, and paid directly to, the service provider.

6. Payment of Fees

All tuition and fees for students who start in August are payable in advance, at the latest by 1 August 2022. For students who start during the school year, payment is due at the school start or within two weeks after the invoicing date. Past due accounts are charged with a late fee of 5% per annum above the base rate of interest.

All parents are liable for fee payments on the due date, whether or not companies assume responsibility for all or part of the fees. Furthermore, parents are liable for all bank charges incurred.

It is possible to pay the school fees in two instalments, for which there is a surcharge of 2% of the annual Tuition Fee. This option is only applicable for families with a signed contract at the latest by 1 December 2022.

For students who begin at the start of the school year, the first instalment of 60% of the Tuition Fee, plus the full Campus Development Fee levied in that year (if applicable), is to be paid by 1 August 2022, and second instalment of 42% of the Tuition Fee is to be paid by 1 January 2023.

For students whose contract has been signed after the start of the school year and before 1 December 2022, the first instalment of 60% of the Tuition Fee, plus the full Campus Development Fee levied in that year (if applicable), is to be paid within two weeks of the invoice date, and the second instalment of 42% of the Tuition Fee is to be paid by 1 January 2023.
