

Application For Creative Arts Distinction: Visual Art

Mission Statement

Sayre's Visual and Performing Arts initiative encourages students to pursue their interests in the arts – at Sayre and in our community. Students will develop artistic ability and challenge their understanding of the creative process from concept to product to presentation, and apply their interests and abilities to opportunities both in and out of the academic setting. VPA Initiative students will complete classes, projects and activities to achieve goals.

Visual Arts Requirements

- Students may apply for the initiative program sophomore year
- Complete six semester sequence of all 2D or all 3D art classes at Sayre, AP Art is optional
- Apply/participate in art exhibits and/or contests outside Sayre each school year
- Attend exhibits, workshops and/or seminars pertaining to 2D/3D art outside Sayre each school year. Lists of available events from Lexarts, "Artscope" publication, etc
- Assist in presenting or hanging an art exhibit at Sayre or in the community each school year
- Interview a working artist in the community using the provided questionnaire during senior year
- Design and complete independent project during senior year

Required Courses Completed:

YEAR	COURSE COMPLETED	TEACHER

YEAR	DESCRIPTION OF REQUIREMENT COMPLETED	SUPERVISOR/TEACHER

SENIOR PROJECT

Define/Title Project

Will you need to reserve a space for presentation or require any special equipment, etc?

Schedule for completion

Due date or performance date? How long will it take? Make a calendar of your plan.
